

# The Last Gold Rush

**Edwin B. Sherzer, Clara Miller, Kenneth  
J. Kutz**

## **The Last Gold Rush:**

*The Last Gold Rush...Ever!* Charles Goyette, Bill Haynes, 2020-10-27 If you had foreseen the financial confusion of the Carter years or the exploding debt in the Bush years or the Federal Reserve's money printing spree during the Obama presidency you might have profited richly from the resulting bull markets in gold and silver. But today's governmental recklessness dwarfs each of those episodes. Add other accelerants to the dollar and debt crises including currency and trade wars, an unaffordable military empire, and a juggernaut of domestic state socialism now converging to fuel an era of monetary destruction that will drive gold prices to unimaginable heights. In this unique collaboration, two gold experts: New York Times bestselling author Charles Goyette with years of commenting and writing about gold, the dollar, and the economy from outside the industry; and Bill Haynes with decades of trade-by-trade, tick-by-tick experience inside the precious metals markets, triangulate their views to prepare readers for *The Last Gold Rush Ever*.

*Klondike* Pierre Berton, 2001-10-09 With the building of the railroad and the settlement of the plains, the North West was opening up. The Klondike stampede was a wild interlude in the epic story of western development, and here are its dramatic tales of hardship, heroism, and villainy. We meet Soapy Smith, dictator of Skagway; Swiftwater Bill Gates, who bathed in champagne; Silent Sam Bonnifield, who lost and won back a hotel in a poker game; and Roddy Connors, who danced away a fortune at a dollar-a-dance. We meet dance hall queens, paupers turned millionaires, missionaries, and entrepreneurs, and legendary Mounties such as Sam Steele, the Lion of the Yukon. Pierre Berton's riveting account reveals to us the spectacle of the Chilkoot Pass and the terrors of lesser-known trails through the swamps of British Columbia, across the glaciers of southern Alaska, and up the icy streams of the Mackenzie Mountains. It contrasts the lawless frontier life on the American side of the border to the relative safety of Dawson City, Winner of the Governor General's award for non-fiction. *Klondike* is authentic history and grand entertainment, and a must-read for anyone interested in the Canadian frontier.

**Goldfield** Sally Springmeyer Zanjani, 1992 Shortly after the turn of the century, discoveries by a Shoshone prospector in the barren central Nevada deserts ignited the last great goldrush on the Western mining frontier. Prospectors, miners, stock promoters, gamblers, camp followers, roughs, lawmen, and anarchists, among others, converged upon this unlikely plot of sand and Joshua trees from every corner of the earth. The saga that ensued is first-rate. It tells the story of ordinary people, their everyday lives, hopes, loves, and dilemmas, as well as the fates of the newly crowned nabobs who could wager a fortune on the turn of a roulette wheel. Hell-roaring Goldfield passed through the same stages of boom, industrialization, and decline as its mining camp predecessors, but with some significant differences. Greed knew no bounds; waves of epidemic disease and violent death swept the city; mining stock speculation reached new heights; and the tycoon who rose to the top, the ruthless ex-gambler George Wingfield, dominated Nevada for years to come. In other ways, as well, the last boomtown cast a long shadow over the future. Goldfield played a key role in the nineteenth-century mining boom that reversed twenty years of depression and decline in a severely depopulated state and assured the triumph

of mining camp ideology over other value systems Along with its careless bravado that ideology meant unfettered individualism and the primacy of materialism over moral values It meant a restless search for excitement in the saloons forerunners of today s casinos and second only to the mines in economic importance Above all it meant getting rich and getting out leaving others to pay the price
