LAST OFFENSIVE

The Last Offensive

Charles B. MacDonald

The Last Offensive:

The Last Offensive Charles B. MacDonald, 1984 **The Last Offensive** Charles B. MacDonald, 1973 *The Last Offensive* Charles B. MacDonald, 2015-07-27 Includes maps Recovering rapidly from the shock of German counteroffensives in the Ardennes and Alsace Allied armies early in January 1945 began an offensive that gradually spread all along the line from the North Sea to Switzerland and continued until the German armies and the German nation were prostrate in defeat This volume tells the story of that offensive one which eventually involved more than four and a half million troops including ninety one divisions sixty one of which were American The focus of the volume is on the role of the American armies First Third Seventh Ninth and to a lesser extent Fifteenth which comprised the largest and most powerful military force the United States has ever put in the field The role of Allied armies First Canadian First French and Second British is recounted in sufficient detail to put the role of American armies in perspective as is the story of tactical air forces in support of the ground troops This is the ninth volume in a subseries of ten designed to record the history of the United States Army in the European Theater of Operations One volume *The Riviera to the Rhine* is the final volume to be published *Victory in Europe, 1945* Charles B. MacDonald, 2013-01-18 After major setbacks in the Ardennes the Allies launched a massive offensive in January 1945 that involved the largest American force ever assembled This official history re creates the beginning of the end of World War II Dramatic accounts include the capture of the bridge at Remagen and the crossing of the Rhine the liberation of the concentration camps the battle for Berlin and other hard fought landmarks on the road to the triumph of the Allies Written by an eminent army historian who served on the Western front this authoritative report was prepared under the auspices of the U S Army Center of Military History Its crisp coherent narratives of complex operations will captivate both readers familiar with the events of World War II and those new to military history Battles personalities and scenes from the conflict and its aftermath are depicted by 26 maps and 92 illustrations *The Last Offensive* Charles Brown MacDonald, 1973 *The Last Offensive* Charles Brown MacDonald, 1973 *The Last Offensive* Charles B. MacDonald, 2005 Recovering rapidly from the shock of German counteroffensives in the Ardennes and Alsace Allied armies early in January 1945 began an offensive that gradually spread all along the line from the North Sea to Switzerland and continued until the German armies and the German nation were prostrate in defeat This volume tells the story of that offensive one which eventually involved more than four and a half million troops including ninety one divisions sixty one of which were American The focus of the volume is on the role of the American armies First Third Seventh Ninth and to a lesser extent Fifteenth which comprised the largest and most powerful military force the United States has ever put in the field The role of Allied armies First Canadian First French and Second British is recounted in sufficient detail to put the role of American armies in perspective as is the story of tactical air forces in support of the ground troops **United States Army in WWII - Europe - the Last Offensive** Charles B. MacDonald, 2014-08-15 Includes 26 maps and 92 illustrations The American armies that

absorbed the shock of the German counteroffensives in the Ardennes and Alsace in the winter of 1944-45 were the most powerful and professional that the United States had yet put in the field. That this was the case was abundantly demonstrated as the final campaign to reduce Nazi Germany to total defeat unfolded. The campaign was remarkably varied. As it gathered momentum in the snows of the Ardennes and the mud and pillboxes of the West Wall, the fighting was often as bitter as any that had gone before among the hedgerows of Normandy and the hills and forests of the German frontier. Yet the defense which the Germans were still able to muster following the futile expenditure of lives and means in the counteroffensives was brittle. The campaign soon evolved into massive sweeps by powerful Allied columns across the width and breadth of Germany. That the Germans could continue to resist for more than two months in the face of such overwhelming power was a testament to their pertinacity but it was a grim tragedy as well. To such an extent had they subjugated themselves to their Nazi leaders that they were incapable of surrender at a time when defeat was inevitable and surrender would have spared countless lives on both sides. It was a dramatic campaign: the sweep of four powerful U.S. armies to the Rhine; the exhilarating capture of a bridge at Remagen; assault crossings of the storied Rhine River including a spectacular airborne assault; an ill-fated armored raid beyond Allied lines; the trapping of masses of Germans in a giant pocket in the Ruhr industrial region; the uncovering of incredible horror in German concentration camps; a dashing thrust to the Elbe River juncture with the Russians; and a Wagnerian climax played to the accompaniment of Russian artillery fire in the Führerbunker in Berlin.

US Army in WW II: The Last Offensive (Paperback), *Hitler's Last Offensive* Peter Elstob, 2003. This is the full story of the Battle of the Ardennes in the last weeks of 1944: the German armies in the west after a continuous retreat since the battle of Normandy five months earlier were regrouping in what they thought was to be the last battle in defense of the Fatherland. But Hitler had other plans: to mount an offensive through the Ardennes that would deal such a blow to the Western Allies that they would be willing to negotiate a separate peace. This is the offensive known as the Battle of the Bulge. Could Hitler's gamble have succeeded? Could he have reached his objective: the port of Antwerp? Peter Elstob unfolds the whole panorama of the last offensive which was one of the bloodiest battles of the Second World War, punctuated with many acts of individual acts of heroism and many errors of judgment by the firebrand General George Patton, the superb German generals and others. Paradoxically all it ensured was that the Russians would reach Berlin first.

Last Offensive W/maps, 1986. Dryden's Second Hundred Years: a Central New York Town in the 20th Century Elizabeth Denver Gutches, 2020-11-18. Dryden's Second Hundred Years Part II does two exceptional things. First, its tight focus on local participation in World War II paradoxically chronicles the entire war, a conflict which drew its combatants from small rural townships like Dryden, NY, assigned and scattered them throughout the world and then delivered the survivors back home again, creating in every small American community a microcosm of the entire conflict, an eye-witnessing of the whole story. Second, that story is told here largely in local participants' own words: in letters from camps, troopships, carriers, cruisers, foxholes, and hospitals; their voices a

quiet backdrop to the horrific war they had been asked to fight The resulting narrative suggests that those who don't know history while not always doomed to repeat it are very likely doomed to live their lives without perspective to mistake inconvenience for hardship and hardship for catastrophe and to be blind to the miracle of everyday normal life

Closing with the Enemy Michael D. Doubler, 1994-12-22 Closing with the Enemy picks up where D Day leaves off From Normandy through the breakout in France to the German army's last gasp in the Battle of the Bulge Doubler deals with the deadly business of war closing with the enemy fighting and winning battles taking and holding territory His study provides a provocative reassessment of how American GIs accomplished these dangerous and costly tasks Doubler portrays a far more capable and successful American fighting force than previous historians notably Russell Weigley Martin Van Creveld and S L A Marshall have depicted True the GIs weren't fully prepared or organized for a war in Europe and have often been viewed as inferior to their German opponent But Doubler argues they more than compensated for this by their ability to learn quickly from mistakes to adapt in the face of unforeseen obstacles and to innovate new tactics on the battlefield This adaptability Doubler contends was far more crucial to the American effort than we've been led to believe Fueled by a fiercely democratic and entrepreneurial spirit GI innovations emerged from every level within the ranks from the novel employment of conventional weapons and small units to the rapid retraining of troops on the battlefield Their most dramatic success however was with combined arms warfare the coordinated use of infantry tanks artillery air power and engineers in which they perfected the use of air support for ground operations and tank infantry teams for breaking through enemy strongholds Doubler argues that without such ingenuity and imaginative leadership it would have been impossible to defeat an enemy as well trained and heavily fortified as the German army the GIs confronted in the tortuous hedgerow country of northern France the narrow cobblestoned streets of Aachen and Brest the dark recesses of the Huertgen Forest and the frigid snow covered hills of the Ardennes Marking the 50th anniversary of the American victory in the Battle of the Bulge Doubler offers a timely reminder that the tremendous effects of firepower and technology will still not relieve ground troops of the burden of closing with the enemy As even Desert Storm suggests that will likely prove true for future high tech battlefields where an army's adaptability will continue to be prized

The Big Red One James Scott Wheeler, 2007 No mission too difficult no sacrifice too great Duty First For almost a century from the Western Front of World War I to the deserts of Iraq this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One In this first comprehensive history of America's 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation The oldest continuously serving division in the U S Army the Fighting First has consistently played a crucial role in America's foreign wars It was the first American division to see combat and achieve victory in World War I and set the standard for discipline training endurance and tactical innovation One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare During World War II the First Division spearheaded the

invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on through the Hurtgen Forest the Battle of the Bulge the Ruhr Pocket and deep into Germany By war s end it had developed successful combined arms regimental combat teams and made advances in night operations Wheeler describes the First Division s critical role in postwar Germany and as the only combat division in Europe during the early Cold War After returning to the United States at Fort Riley Kansas the division fought valiantly in Vietnam for five trying years successfully protecting Saigon from major infiltration along Highway 13 while pioneering air mobile operations It led the liberation of Kuwait in Desert Storm and kept an uneasy peace in Bosnia and Kosovo Along the way Wheeler illuminates the division s organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers Meticulously detailed and engagingly written *The Big Red One* nimbly combines historical narrative with astute analysis of the unit s successes and failures so that its story reflects the larger chronicle of America s military experience over the past century *The Last Offensive: The European Theatre of Operations* Charles B. Macdonald,1973 *Chesterfield Smith, America's Lawyer* Mary E. Adkins,2020-10-06 *The Empire at War* Sir Charles Prestwood Lucas,1924 *Hitler's Last Offensive* Peter Elstob,2013-10 This is a new release of the original 1941 edition **The Booklist** ,1918 *The Book of History: The events of 1918. The armistice and peace treaties* ,1921

The Last Offensive Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Last Offensive PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

The Last Offensive PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Last Offensive free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
