## **The Last Tosa:**

**The Last Samurai** Mark Ravina, 2011-03-29 The dramatic arc of Saigo Takamori's life from his humble origins as a lowly samurai to national leadership to his death as a rebel leader has captivated generations of Japanese readers and now Americans as well his life is the inspiration for a major Hollywood film *The Last Samurai* starring Tom Cruise and Ken Watanabe In this vibrant new biography Mark Ravina professor of history and Director of East Asian Studies at Emory University explores the facts behind Hollywood storytelling and Japanese legends and explains the passion and poignancy of Saigo's life Known both for his scholarly research and his appearances on The History Channel Ravina recreates the world in which Saigo lived and died the last days of the samurai *The Last Samurai* traces Saigo's life from his early days as a tax clerk in far southwestern Japan through his rise to national prominence as a fierce imperial loyalist Saigo was twice exiled for his political activities sent to Japan's remote southwestern islands where he fully expected to die But exile only increased his reputation for loyalty and in 1864 he was brought back to the capital to help his lord fight for the restoration of the emperor In 1868 Saigo commanded his lord's forces in the battles which toppled the shogunate and he became a leader in the emperor Meiji's new government But Saigo found only anguish in national leadership He understood the need for a modern conscript army but longed for the days of the traditional warrior Saigo hoped to die in service to the emperor In 1873 he sought appointment as envoy to Korea where he planned to demand that the Korean king show deference to the Japanese emperor drawing his sword if necessary to defend imperial honor Denied this chance to show his courage and loyalty he retreated to his homeland and spent his last years as a schoolteacher training samurai boys in frugality honesty and courage In 1876 when the government stripped samurai of their swords Saigo's followers rose in rebellion and Saigo became their reluctant leader His insurrection became the bloodiest war Japan had seen in centuries killing over 12 000 men on both sides and nearly bankrupting the new imperial government The imperial government denounced Saigo as a rebel and a traitor but their propaganda could not overcome his fame and in 1889 twelve years after his death the government relented pardoned Saigo of all crimes and posthumously restored him to imperial court rank In *THE LAST SAMURAI* Saigo is as compelling a character as Robert E Lee was to Americans a great and noble warrior who followed the dictates of honor and loyalty even though it meant civil war in a country to which he'd devoted his life Saigo's life is a fascinating look into Japanese feudal society and a history of a country as it struggled between its long traditions and the dictates of a modern future

**Epochs of Chinese & Japanese Art** Ernest Fenollosa, 1912 *Epochs of Chinese & Japanese Art* Ernest Francisco Fenollosa, 1921

**The Deshima Diaries**, 2023-08-07 English translation of the marginalia or marginal notes that were added to the text of the *Deshima Diaries* from the 1670s onwards in order to provide the Dutch chief of Deshima with a quick reference to the notes of his predecessors This volume covers the marginalia from the 1700-1740 diaries Providing the general public and especially those who have neither a command of Dutch nor of Japanese access to a fascinating period of Japanese history in

which the Dutch played such a singular role At the same time the serious scholar will obtain an easy key to the extremely rich holdings of the archive of the Deshima trading factory which covers a shelf length of more than forty meters in the National Archives in the Netherlands but which has been only rarely utilized by historians Japanologists or other scholars The Deshima archives of the Dutch East India Company VOC were used originally as a corpus of knowledge and experience amassed over the years by generations of Company personnel It was a source which was consulted by opperhoofden whenever they were in doubt about the right answer to exasperating questions or challenges posed by Japanese society in the form of shogunal decrees orders by the governors of Nagasaki and the stubborn demeanor by blackmailing and manipulative officials Life at Deshima was so regulated and controlled both by workings of the Japanese bureaucracy and by the rhythms of the East India Company s seasonal trade with Japan that keeping a dagregister or diary in which all the remarkable occurrences were noted assumed crucial importance This in contrast to other VOC factories where the keeping of a diary though obligatory was often neglected In the isolation of Deshima almost everything seen or heard was notable Skipping through the text one is also inevitably touched by the suffering inflicted on Japanese society by perennial scourges such as earthquakes epidemics that one general disease called poverty and the fires which periodically destroyed large portions of the great cities The present volume is a thoroughly revised edition especially with regard to the Japanese personal and topographical names occurring in the text of volumes III IV of the Leiden edition Scientific Publications of the Japan Netherlands Institute No 12 Published by the Japan Netherlands Institute Tokyo 1992 original ISBN 4930921015

*Radetzky's Marches* Michael Embree, 2013-10-19 In the spring of 1848 revolution threatened to sweep away the old order throughout Europe In the Austrian occupied north of Italy newly nurtured nationalism further fueled by economic issues prompted open revolt in Lombardy and Venetia The Austrian army in Italy commanded by 82 year old Field Marshal Radetzky soon saw itself under further threat from the Kingdom of Sardinia Piedmont that of Naples and the Papal States as well as thousands of volunteers all determined to rid Italy of the occupier Seemingly under attack from all sides the Austrian Army was forced to concentrate in the famous Quadrilateral formed by the fortress cities of Peschiera Mantua Legnago and Verona losing deserters by the thousand to prepare for the war to follow a war that would continue into the following year This volume narrates the remarkable tale of how one old general quite possibly saved an empire With iron will the great personal affection of his men and some luck Radetzky maintained his army and finally defeated his opponents Such was the impact of the 1848 campaign that Johann Strauss the Elder wrote the Radetzky March in the Field Marshal s honor The comprehensive story of the revolts and the subsequent military campaigns is recounted here taken from many and varied sources including a considerable number of contemporary and first hand accounts as well official reports from all sides Radetzky s Marches is profusely illustrated and is accompanied by maps charts diagrams and extensive orders of battle
