The Sentimental Bloke:

The Sentimental Bloke and Other Selected Verse Clarence James Dennis,1970 **The Songs of a Sentimental Bloke** Clarence James Dennis,1928 **The Sentimental Bloke** Clarence James Dennis,1932 **The sentimental bloke** ,1994 **The Sentimental Bloke** C. J. Dennis,2022-02 The Sentimental Bloke tells the story of Bill a member of a larrikin push or gang in Melbourne s Little Lonsdale red light district who encounters Doreen a young woman of some social aspiration in a local market Narrated by Bill the poems chronicle their courtship and marriage detailing his transformation from a violence prone gang **Sentimental Bloke and Other Verses** Clarence James Dennis,1988 *The Sentimental Bloke* Albert Arlen,1915 [The Sentimental Bloke](#) ,1961 **Notes on a Film** Leslie James Blake,1976 **The Sentimental Bloke** Albert Arlen,1977 [The sentimental bloke](#) Clarence James DENNIS, **Songs for The Sentimental Bloke** George Dreyfus,19?? *The Two Frank Thrings* Peter Fitzpatrick,2012-08-01 They shared a name of course and their physical resemblance was startling And both Frank Thrings were huge figures in the landscape of twentieth century Australian theatre and film But in many ways they could hardly have been more different Frank Thring the father 1882 1936 began his career as a sideshow conjuror and he wheeled dealt and occasionally married his way into becoming the legendary F T impresario speculator and owner of Efftee Films Australia s first talkies studio He built for himself an image of grand patriarchal respectability a sizeable fortune and all the makings of a dynasty Frank Thring the son 1926 1994 squandered the fortune and derailed the dynasty in the course of creating his own persona a unique presence that could make most stages and foyers seem small He won fame playing tyrants in togas in Hollywood blockbusters then suddenly came home to Melbourne to play perhaps his finest role that of Frank Thring actor and personality extraordinaire Central to this role was that Frank the son was unapologetically and outrageously gay Peter Fitzpatrick s compelling dual biography tells the story of two remarkable characters It s a kind of detective story following the tracks of two men who did all they could to cover their tracks and to conceal the self Frank the father used secrecy and sleight of hand as strategies for self protection Frank the son masked a thoroughly reclusive personality with flamboyant self parody It s also the tale of a lost relationship and of the power a father may have had even over a son who hardly knew him **SENTIMENTAL BLOKE** ,

A Genealogy of the Verse Novel Catherine Addison,2017-11-06 The present age has seen an explosion of verse novels in many parts of the world Australia is a prolific producer as are the USA and the UK Novels in verse have also appeared in Canada New Zealand India South Africa Jamaica and several other countries A novel written in verse contradicts theories that distinguish the novel as essentially a prose genre The boundaries of prose and verse are however somewhat fluid This is especially evident in the case of free verse poetry and the kinds of prose used in many Modernist novels The contemporary outburst may seem a uniquely Postmodernist flouting of generic boundaries but in fact the verse novel is not new Its origins reach back to at least the eighteenth century Byron s Don Juan in the early nineteenth century was an important influence on

many later examples Since its first surge in popularity during the Victorian era it has never died out though some fine examples most of them from the earlier twentieth century have been neglected or forgotten This book investigates the status of the verse novel as a genre and traces its mainly English language history from its beginnings The discussion will be of interest to genre theorists prosodists narratologists and literary historians as well as readers of verse novels wishing for some background to this apparently new literary phenomenon **THE WORLD OF THE SENTIMENTAL BLOKE** ,1976

The Complete Sentimental Bloke C. J. Dennis,2001 First published as *The Songs of A Sentimental Bloke* in 1915 this collection of verse tales showcases Dennis trademark wit and insight The work of the laureate of the larrikin has long been part of Australian cultural life the tales of Ginger Mick Doreen and the other memorable characters are ingrained into our collective consciousness and from being an immediate bests seller back in 1915 have gone on to be adapted to film theatre and music *Remarkable Occurrences* National Library of Australia,2001 **The Bookman** ,1917 [The First World War and Popular Cinema](#) Michael Paris,2000 *The First World War and Popular Cinema* provides fresh insight into the role of film as an historical and cultural tool Through a comparative approach essays by contributors from Europe Australia Canada and the United States enrich our understanding of cinematic depictions of the Great War in particular and combat in general New historical research on both the uses of propaganda and the development of national cinemas make this collection one of the first to show the ways in which film history can contribute to our study of national histories
