but their aim is to inspire in us a disgust with the human thoughts that lead to such wretched bodies Hungry ghost stories are meant to shock us out of our complacency Artistic depictions of the travails of hungry ghosts are found throughout the Buddhist world and Hungry Ghosts reproduces some of the best examples with detailed descriptions The volume also begins with a meditation on meanness matsarya the mental state that engenders rebirth as a hungry ghost We discover how the understanding of miserliness cruelty and bad faith found in the stories illuminates the human condition offering insight and inspiring compassion for readers both in ancient times and in the world today *Fur Age Monthly*, 1924
