Whose Historical Jesus:

Whose Historical Jesus? William E. Arnal, Michel Desjardins, 2010-10-30 The figure of Jesus has fascinated Western civilization for centuries. As the year 2000 approaches, eliciting connections with Jesus' birth and return, excitement grows as does the number of studies about Jesus. Cutting through this mass of material, *Whose Historical Jesus* provides a collection of penetrating, jargon-free, intelligently organized essays that convey well both the centrality and the complexity of deciphering the historical Jesus. Contributors include such eminent scholars as John Dominic Crossan, Burton L. Mack, Sean Freyne, and Peter Richardson. Essays range from traditional to modern and postmodern and address both recent and enduring concerns. Introductions and reflections augment these lucid essays, provide context, and help the reader focus on the issues at stake. *Whose Historical Jesus* will be of interest to all who wish to understand the current controversies and historical debates, who want insightful critiques of those views, or who would like guidance on the direction of future studies. **The Historical Jesus** John Dominic Crossan, 2010-07-13 Conventional wisdom has long held that too little is known about the historical Jesus to say definitively much more than that he lived and had a tremendous impact on his followers. But with his groundbreaking work *The Historical Jesus*, John Dominic Crossan demonstrates that Jesus is actually one of the best-documented figures in ancient history. The challenge is in the complexity of the sources. Crossan's unique methodology combines social anthropology, Greco-Roman history, and the literary analysis of specific pronouncements, confessions, and anecdotes involving Jesus. This synthesis of all three disciplines provides the most definitive presentation of the historical Jesus yet attained. The Jesus who emerges is a savvy and courageous Jewish Mediterranean peasant, a radical social revolutionary with a rhapsodic vision of economic, political, and religious egalitarianism, and a social program for creating it. *The Historical Jesus* reveals the true Jesus: who he was, what he did, and what he said. John Dominic Crossan is generally regarded as the leading historical Jesus scholar in the world. He is the author of several bestselling books, including *The Historical Jesus*, *Jesus: A Revolutionary Biography*, *The Birth of Christianity*, and *Who Killed Jesus*. He lives in Clermont, FL. The most important scholarly book about Jesus in decades. Marcus Borg, author of *Jesus: A New Vision*. *Who is Jesus?* John Dominic Crossan, Richard G. Watts, 1999-01-01 This fascinating book makes the results of a lifetime of scholarship readily available to nonspecialists who want to meet the historical Jesus. Eminent biblical scholar John Dominic Crossan collaborates with pastor Richard G. Watts to rediscover the life, the work, and the message of the Man from Galilee. **Prophet and Teacher** William R. Herzog, 2005-01-01 Herzog has written an introduction for seminary and college students to the discussion about the historical Jesus. He reports on the findings of the Jesus Seminar and also traces other scholarly work in Jesus studies, but with an eye to the theological. [The Historical Jesus for Beginners](#) William M. Linden, 2008-08-01 The last few decades have seen a resurgence of the scholarly quest for the historical Jesus: for the words and deeds that probably can be attributed to the human Jesus who walked the hills of Galilee some two thousand years ago. You might not be aware of the recent scholarship, and the reason is simple. For

the most part many scholars write for and talk to other scholars using their own technical language This leaves huge numbers of Christians unaware of their discoveries So even though you may have studied the Bible for years you still may be a historical Jesus beginner After the life of Jesus his followers began to develop their memory of his sayings and actions Then year after year and century after century the tradition grew until it became Christianity as it is known in the twenty first century What if we could go back in time and delve under all the layers to find what Christianity would be if it were based upon the historical Jesus If you are a person who would like to begin to be informed this book is for you

The Historical Jesus in Context Amy-Jill Levine, Dale C. Allison, John Dominic Crossan, 2009-01-10 This anthology presents a broad range of primary sources and expert commentary that contextualize the historical Jesus in his world This landmark volume places the gospel narratives in their full literary social and archaeological context More than twenty five internationally recognized experts offer new translations and descriptions of texts that shed new light on the Jesus of history including pagan prayers and private inscriptions miracle tales and martyrdoms parables and fables divorce decrees and imperial propaganda The translated materials from Christian Coptic and Jewish as well as Greek Roman and Egyptian texts extend beyond single phrases to encompass the full context thus allowing readers to locate Jesus in a broader cultural setting than is usually made available This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him his message and the spread of the Gospel Gathering material that was previously available only in disparate sources this formidable book provides innovative insight into matters no less grand than first century Jewish and Gentile life the composition of the Gospels and Jesus himself

The Historical Jesus Prof James H. Charlesworth, 2008-01-01 Recent years have seen an explosion of talk about the historical Jesus from scholarly settings as well as media outlets including sensational TV documentaries and national magazines How is the student of the Bible to assess these various claims about Jesus And what difference does knowledge of his time and place make for Christian faith theological thinking and historical research James Charlesworth presents the solid results of modern study into the life and times of Jesus especially regarding the role of the Essenes the significance of the Dead Sea Scrolls the nature of messianic expectation and much more No one today is better equipped than James Charlesworth to lead students through the thickets of controversy that surround much of contemporary historical Jesus research This Abingdon Essential Guide will fulfill the need for a brief substantive yet highly accessible introduction to this core area of New Testament studies Drawing on the best in current scholarship written with the need of students foremost in mind addressed to learners in a number of contexts this Essential Guide will be the first choice of those who wish to acquaint themselves or their students with the broad scope of issues perspectives and subject matters relating to modern quests for the historical Jesus It will also be a preferred text for those who need or want to refresh their knowledge regarding the context within which Jesus lived in preparation for leading church discussion groups in studies of the Gospels

The Historical Jesus John Dominic Crossan, 1993-02-26 He comes as yet unknown into a

hamlet of Lower Galilee He is watched by the cold hard eyes of peasants living long enough at a subsistence level to know exactly where the line is drawn between poverty and destitution He looks like a beggar yet his eyes lack the proper cringe his voice the proper whine his walk the proper shuffle He speaks about the rule of God and they listen as much from curiosity as anything else They know all about rule and power about kingdom and empire but they know it in terms of tax and debt malnutrition and sickness agrarian oppression and demonic possession What they really want to know can this kingdom of God do for a lame child a blind parent a demented soul screaming its tortured isolation among the graves that mark the edges of the village from The Gospel of Jesus overture to The Historical Jesus The Historical Jesus reveals the true Jesus who he was what he did what he said It opens with The Gospel of Jesus Crossan's studied determination of Jesus actual words and actions stripped of any subsequent additions and placed in a capsule account of his life story The Jesus who emerges is a savvy and courageous Jewish Mediterranean peasant a radical social revolutionary with a rhapsodic vision of economic political and religious egalitarianism and a social program for creating it The conventional wisdom of critical historical scholarship has long held that too little is known about the historical Jesus to say definitively much more than that he lived and had a tremendous impact on his followers There were always historians who said it could not be done because of historical problems writes Crossan There were always theologians who said it should not be done because of theological objections And there were always scholars who said the former when they meant the latter With this ground breaking work John Dominic Crossan emphatically sweeps these notions aside He demonstrates that Jesus is actually one of the best documented figures in ancient history the challenge is the complexity of the sources The vivid portrayal of Jesus that emerges from Crossan's unique methodology combines the complementary disciplines of social anthropology Greco Roman history and the literary analysis of specific pronouncements anecdotes confessions and interpretations involving Jesus All three levels cooperate equally and fully in an effective synthesis that provides the most definitive presentation of the historical Jesus yet attained *The Quest of the Historical Jesus* Albert Schweitzer, 1910 *The Historical Jesus For Dummies* Catherine M. Murphy, PhD, 2007-12-05 Was Jesus of Nazareth a real person Did all of the events described in the gospels really happen How was the world Jesus lived in different from our own In *The Historical Jesus For Dummies* you'll discover the answers to these questions and hundreds more This accessible plain English guide to the life and times of Jesus paints a vibrant picture of his world examining records in the New Testament and Roman history as well as recent archeological finds that shed new light on his life You'll find informative explanations of Jesus's birth infancy and childhood meet his followers and enemies learn about his teachings and miracles and discover how modern scholars and historians have arrived at these conclusions This fascinating primer to the real life Jesus explores The different stories of Jesus in the gospels The three quests for the historical Jesus The miracles of Jesus Jewish society and the influence of Rome in Jesus's time The Roman practice of crucifixion The politics of Roman occupied Judea What people thought of Jesus when he was alive

The Gnostic gospels and other non biblical texts of the time The top controversies surrounding Jesus Portrayals of Jesus in art and film Complete with a concise account of the spread of Christianity throughout the world The Historical Jesus For Dummies puts you in touch with the human Jesus who walked the earth and whose teachings changed the world *The God of Jesus* Stephen J. Patterson,1998-04-01 This book is the result of the author s involvement with the Jesus Seminar The premise is that the quest for the historical Jesus has always been closely related to the Christian search for God and that this is both good and necessary provided that one properly understands the relationship between history and theology and does not confuse the two Patterson develops s theology that might properly be called a Jesus Theology and it is here that his contribution to the discussions of and about Jesus makes it a most distinctive contribution **The Historic Jesus** Charles Stanley Lester,1912 The Historical Jesus Gerd Theissen,Annette Merz, Comprehensively detailing the sources for our knowledge of Jesus Theissen and Merz fully explore the historical and social context of Jesus and his activity They then unfold what we can know about Jesus characteristics as a charismatic teacher a Jewish prophet a healer a teller of parables and an ethical teacher Finally they examine closely the historical question surrounding Jesus last supper his violent death the accounts of Easter and the beginnings of Christology **The Ethics of the Gospel and the Ethics of Nature** Herbert Hayes Scullard,1927 Jesus Christ and the World's Religions William Paton,1928 **Studying the Historical Jesus** Darrell L. Bock,2002-07 An informed scholarly approach to the study of the historical Jesus that takes the Gospels seriously as a source of historical information **The Faith of the Incarnation:--historic and Ideal** Clay MacCauley,1913 **The Harvard Theological Review** ,1912 *The Atlantic Monthly* ,1928 **The Bible Christian magazine, a continuation of the Arminian magazine** Bible Christians,1874
