in flight above the Delta en route from Can Tho to Saigon in an Air America aircraft God spoke to him in an unmistakably direct though inaudible voice an invitation to change the focus of his life career The book seeks to show how God is at work developing many of us into spiritual soldiers warriors who are invited to serve in His Army often with far less prestige and fame than is experienced in the military services And amazingly as the author discovered God uses much of the lessons learned by the military in a parallel spiritual application to advance His Kingdom on the earth
