Why Baptism 5 Pack:

Baptism and the Baptists Anthony R. Cross, 2017-06-20 Since its first publication in 2000 *Baptism and the Baptists* has become the definitive work on the subject. It examines the theology and practice of believers' baptism among twentieth-century Baptists associated with the Baptist Union of Great Britain and identifies the major influences which have led to its development. In the nineteenth and early twentieth century the majority of Baptists concentrated predominantly on the mode and subjects of baptism: immersion and believers' understanding of the rite merely as an ordinance, the believer's personal profession of faith in Christ. However, in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century, there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism, both biblically and theologically. This sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty-first century among Baptists not just in Britain but also in North America, Europe, and further afield. *NIVAC Bundle 7: Pauline Epistles* Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written. *Systematic Theology/Historical Theology Bundle* Wayne A.
