## **Why Dont I Feel Better:**

*Why Don't We Listen Better?* Jim Petersen, 2007 With a light touch and sensible techniques Dr Jim Petersen distills years of counseling and pastoral ministry into an informal volume loaded with practical tips examples and techniques to practice His book highlights our culture s courtroom like communication that often puts people at odds with each other Most people think they listen well but don t and folks walk away unheard misunderstood and disconnected Readers will chuckle in recognition at the tongue in cheek but spot on flat brain theory of emotions It shows how and why we get upset and confused in tense situations and what to do about it It lays the practical groundwork to better manage emotionally loaded situations This book shows communication that works and is equally appropriate for professionals such as pastors and therapists and for the general public The ingenious Talker Listener Card gives a taking turn method to end arguing as we know it It works for couples business relationships church listening programs counselors group discussions and the family dinner table listening game Thirty listening techniques will help the reader immediately begin to turn enemies into friends poor relationships into decent ones and good relationships into better ones These accessible skills are being used in pastoral counseling classes counseling offices church staffs professional offices on dates in corporate board rooms and at kitchen tables around the country

*You Are Not Going to Heaven (and why it doesn't matter)* Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don t Wes Bergen s aim is to cast a vision of the church beyond divine fire insurance Bergen s contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn t enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don t Now get to work helping salvation happen

**Not! Another Self-Help Book: Why We Get Stuck in Life and How You Can Move Forward** Dr. John C. Panepinto, 2024-06-01 Getting stuck in life happens Whether you have a vision for your future or feel aimless everyone gets stuck sometimes And it can happen more than once Living authentically presents problems and sometimes we create them without knowing If you don t know why you can t let go or move ahead you ll stay stuck You ll remain on the not so merry go round of stuck ness waiting for answers To move forward you have to ask the right questions Not Another Self Help Book is truly not another self help book Written as a conversation you wish you had or didn t realize

you needed to have you'll engage in topics everyone needs to explore and make sense of. Talks we'd have if we would slow down the busy-ness of life. Getting stuck and staying stuck has become a way of life for an increasing number of individuals and families. The rising numbers of anxiety, depression, and hopelessness shine a light on this problem. We treat the symptoms but fail to address the core issues. How much longer can we carry on this way? A common mindset lurks beneath these problems: a pervasive and powerful belief system influencing every aspect of our lives. Like fish in water, we move and breathe in this mindset without knowing spaces exist above the surface. If you follow the scripts of this mindset, you end up chasing what you think is important only to find it isn't the thing once you get there. The chase begins again. Each chapter of *Not Another Self-Help Book* guides you through this cultural mindset to the core of growth and development and a different way of being in the world. The concepts and tools help you to ask the right questions. Questions that open the doors and lead through confusion and uncertainty. When you ask the right questions, you will discover the answers you've been waiting for. From the inside out, you develop a mindset that works for you and not against you. You create a vision of your future from the heart of what matters most to you and those who matter most. *Not Another Self-Help Book* provides the substance and direction to get unstuck and confidently move forward. The foundation you build holds even if you get stuck again on your journey. Whenever you need to, you can rely on these life-affirming ideas and get back on track. And you may not ever need another self-help book.

**Why She Feels Fat** Johanna Marie McShane, Tony Paulson, 2013-10-18 Eating disorders are perplexing, frustrating, and seem to make no sense to the families and friends of sufferers. The intent of this book is to explain why your loved one has an eating disorder so that you can understand these baffling disorders and help in the recovery process. Throughout the book, you are taken into the world of eating disorders, shown what anorexia and bulimia mean to sufferers, and how they live day to day, obsessed with thoughts of calories, fat body size, and weight. First, the reader is given an introduction to anorexia and bulimia. Here, the most common signs and symptoms are discussed along with medical complications. In the second section, the focus is on detailing the subjective experiences of those who suffer with eating disorders. This section will help you, as a parent, sibling, spouse, friend, or other loved one, understand what an eating disorder is like from the perspective of the person living with it. The final section deals with directions for treatment and what to expect as your loved one recovers.

**Why Can't I Drink Like Everyone Else?** Rachel Hart, 2017-06-09 From a certified life coach, a guide for the sober curious on how to take a break from alcohol. Many people have silently asked themselves, why can't I drink like everyone else? They wonder why sometimes it feels like alcohol has a pull over them that they don't understand and don't like to talk about. They are frustrated that other people can control how much they drink without any problem when their efforts are often hit or miss. Rachel Hart has spent years trying to answer these questions for herself and untangle this mystery. Deep down, she was afraid that her drinking was always going to be a problem and grew more and more frustrated of the repercussions. As the years mounted,

she worried that not being able to rein herself in meant something was really wrong with her There is a solution and it doesn't require anyone to wear a label for the rest of their life or admit to being powerless In fact the tools outlined inside will reveal just how much power there is within each and every person struggling with this issue
