The power of the dark goddess i call
Enhant me with a powerful thrall
In my mind a face appears
To my soul your heart adheres
Your eyes see only my eyes
Your love for others now dies
I command you now to think of me
In your mind i'm all you see
My face appears in all your dreams
My name is heard from all your screams
I bind your heart, your soul to me
Until I wish to set it free
From blood essence of the dove
I summon the command of your undying love
From the power of the devine
Your heart, your soul, your body, Is Mine!

Love Spells that Work!

Dayanara Blue Star,2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one s inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various
