Never Marry a Scandalous Duke Renee Ann Miller,2022-06-28 A stolen kiss at a ball and mistaken identities leads to a marriage of convenience in USA Today bestselling author Renee Ann Miller's latest *Infamous Lords* novel Featuring a spunky scientist spinster heroine and a deliciously dashing duke readers can expect smoldering passion engaging characters and roguish antics set against the compelling backdrop of Victorian London Perfect for fans of Victoria Alexander and Betina Krahn A thoroughly roguish nobleman and a devoted lady entomologist have absolutely nothing in common or do they Love is far from scientific when it truly blooms In the eyes of the ton Lady Sara Elsmere is so firmly on the shelf she might as well be nailed in place Not that Sara minds She is far more concerned about her study of butterflies than society's gossip Of course it's also true that the nervous laughter that ruined Sara's debut and every social event thereafter is a bit embarrassing She can

hardly help it men are quite nerve wracking Except for one the rake who pulls her into a dark room during a costume ball and kisses her senseless He doesn't make her titter he makes her burn Ian McAllister the Duke of Dorchester is perfectly satisfied to remain a rogue for the rest of his days But when he finds he has kissed the wrong shepherdess albeit a decidedly luscious one he's faced with a dilemma His indiscretion with an innocent may cost him a lucrative business arrangement and his two scapegrace wards need a maternal influence they can't scare away Promising Sara the use of her dowry to fund her studies seals the pair's businesslike deal But as they embark on their life together they discover that their mutual attraction has sparked a desire not easily tamed and certain feelings each of them are surprised to own Can their matrimonial experiment possibly end in real love
