## Latest Self Help:

**The Last Self-Help Book You'll Ever Need** Paul Pearsall, 2009-03-17 You can't love someone until you learn to love yourself Being healthy means being in touch with your feelings Never lose hope These are self evident truths right Wrong charges best selling psychologist Paul Pearsall in this provocative new book Though everyone from talk show hosts to politicians mouths these platitudes and self help bibles are a dime a dozen their advice simply hasn't helped us live happier or more satisfying lives Pearsall cites scientific evidence to challenge what he calls the McMorals of self potentialism the unsubstantiated prescriptions programs guarantees and gurus that define our pursuit of The Good Life His message is timely we're fed up with truisms masquerading as truth and hungry for self help that really helps Filled with groundbreaking research and inspiring true stories from Dr Pearsall's clinical practice **The Last Self Help Book You'll Ever Need** offers a powerful antidote to the mindless mental languishing that characterizes so much of modern life The solution is not just to get tough and suck it up Instead Pearsall offers powerful if counterintuitive strategies By abandoning the mandate to stay hopeful for example we can begin to savor today rather than focus desperately on tomorrow By allowing ourselves the natural process of grieving instead of relentlessly treating grief as a disease we can recover from tragedy With Pearsall's lively and informative roadmap to psychological health we can say goodbye to our inner child and hello to a better life
