Time Chasers:

Time Chaser Jesse Gordon, 2008-07-06 Unintentionally separated from his birth stream Storm Anderson was a fugitive on the run an exile of humanity and the Time Patrol s biggest headache All he wanted was to get home However the journey across time and space had delivered him a lifetime away from everyone and everything he held dear and the only way back lay beyond the maniacal watch of a timeless adversary

Uri Dushy Uri Dushy, 2014-10-30 Over the past decades Uri Dushy has been investigating the origins of art In his personal non compromising way he insists upon joining and creating within artistic genres unprecedented to him provocatively challenging mastering and adopting technical professional production processes There is a considerable amount of daring at times bordering on the naive in the manner by which Uri Dushy copes with the nearly impossible challenges he undertakes Perhaps in this course of his lies the key to understanding his success in the field of Israeli public art and the international exhibition establishments frequented by his works over the last decades Genuine and profound love of the creation process along with true inspiration from both classic and current artwork characterize Uri Dushy s works Uri Dushy appreciates beauty and aesthetics believing that it is his professional responsibility to contribute to their existence in the world He creates a dialogue with his audience while capturing them and enabling them to take part in the creative experience Uri Dushy s sculptures consist of five main series presented in this book along with his photo collage works The first and main series includes the public sculptures permanently positioned across cities and parks in Israel Uri Dushy s work does not confine itself to the limits of his private studio but rather exits into the public realm into open sites frequented by bypassers and members of the community who are not necessarily familiar with museums and galleries His magnificent public art works are colorful positive understandable and intended for the eyes of all people thus contributing to their positive outlook It can be said that the works reflect a positive inspiration sent from the artist to his audience which returns the positive energy that contributes to the continuity of the artist s creation Projects that included the urban landscape sculptures took place in over a dozen cities across Israel among which are Ashkelon Holon Petach Tikva Jerusalem Rishon Le Zion Ra anana and more The second series is that of the unique wall sculptures consisting of two dimensional clusters of figures in animated order that creates an impressive movement The animation like movement which advances along the sculpture s space presents a narrative image situated in different urban environments The third series includes the small sized interior metal sculptures Each figure is represented as a two dimensional silhouette situated in its own sculptural environment a base of stone or a variety of other materials upon which it plays out its role in the narrative The three dimensional bronze sculptures make up the fourth series The added dimension enriches the figures with nuances which don t exist in the two dimensional works There is an element of freshness in the altered use he makes of the daily and realistic symbols he chooses The virtual sculpture project Status presents the fifth series which includes 2 meter high mixed media figures that expose their extreme emotional states while conducting a dialogue with classical sculpting

Lewis, 2008-05-05. Bob Jenkins, saviour of Earth, is miserable and bored. His summer holiday is dragging, and there are still three weeks left before he goes back to school. Isn't anything exciting ever going to happen to him again? The answer is yes. And it all starts when Bob spots his universal nemesis Hifel Fifel being paraded by the Prime Minister on the television. Apparently, Fifel has come to Earth to save the world from environmental disaster. Ha! That's a joke. All Fifel wants to do is blow the planet into little tiny pieces, and it's up to Bob and his friends to convince everyone that Fifel is up to no good. Will Bob succeed? Kimball's Dairy

Farmer, 1911. Beyond K Street Nicole A. Jones, 2020-10-30. The rough and violent areas of K Street were no place a kid should be left alone, but for fifteen-year-old Micah Tate, it was home. It was never a fit for him, but he fought to survive in it as long as he could. He maneuvered through its courtyards and learned to live in it. When Micah's only options in life became to go to prison for a long time or become the property of the state, he willingly submitted to a new life and direction. Still reeling from the sudden passing of his wife, Mr. Rudolph Pfeiffer, a seventy-seven-year-old fearless, no-nonsense leader, hesitantly took in the teen Micah. Micah was tough, but Mr. Pfeiffer was tougher. Micah was not afraid to stand up for himself, nor speak his mind, but neither was Mr. Pfeiffer. When their toughness clashed, Mr. Pfeiffer never backed down, and his hardness prevailed over Micah.

every time But when their roughness matched it was the perfect element to build a solid bond between the two of them Although Mr Pfeiffer greatly missed and longed to be with his late wife of five decades he focused on Micah Despite the infuriating meddling from Micah s past Mr Pfeiffer never gave up on him Despite threats to Micah s future Mr Pfeiffer was a shield for him Micah moved away from K street but it was Mr Pfeiffer s guidance patience and lessons on unfairness economic disadvantages and broken relationships that taught Micah how to live beyond K Street Beyond K Street Journey to Redemption reveals the journey of Micah and the young man he became as a result of Mr Pfeiffer
