

Time

Tic Toc

My heart is on lock

your time is running out

all on the clock

Wow

you thought I was about to wait

no soon it will be to late

it will be past fate

that we should have been on a date

well babe now it is to late

for you & me

now you should let heart stay on beat

Dont let it skip because of me

Time Poems:

Time Yehuda Amichai, 1979 It's Time Reginald Gibbons, 2002 Presents twenty nine poems by American writer Reginald Gibbons covering such themes as love destructiveness and the exploration of language American Yiddish Poetry Barbara Harshav, Benjamin Harshav, 2023-09-01 This book introduces a collection of twentieth century American poetry written in Yiddish aiming to bring this rich cultural and literary heritage to a broader audience It is designed not only for those who understand Yiddish but for all readers of poetry literature and history who seek to discover new themes and texts Yiddish poetry with its roots in cities like New York Chicago Tel Aviv and Vilna engages with major Modernist trends while creating its own unique poetic world The collection emphasizes that despite the language barrier the human topics and artistic achievements of Yiddish poetry are an essential part of global cultural heritage The challenge of conveying the essence of Yiddish poetry to readers unfamiliar with the language is significant but this anthology provides translated works that aim to preserve the original s meaning and poetic form The editors through daily collaboration and the support of several translators and experts have crafted translations that offer a glimpse into the powerful imagery and themes of Yiddish verse By incorporating insights from both poetry and visual art this volume positions Yiddish poetry within the broader landscape of twentieth century American cultural expression ensuring its place in the literary canon This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1986 **Right on Time** Walter A. Wheat M.A., 2019-10-26 When we say Right on Time we are speaking of that precise moment when something should be said in gratitude of or for appreciation for a special remark or gesture More often than not one gets overwhelmed at something that was either said or done especially when they least expect it They then struggle with choosing the proper words to express their gratification This may happen when someone says or does something nice for you during a time when you were totally unprepared Or there are times when a person feels what they want to say should be more personal or more descriptive By nature you want to say Thank You but your brain sits in a state of idle dissolution while you mentally grasp for the proper verbiage and wonder how to say it with elegance and with proper enunciation and meaning If this has ever happened to you maybe Right on Time Poems for the Right Moment is a book you will relate to
