On the Town Marshall Berman, 2020-05-05 Described as a continuous carnival and the crossroads of the world Times Square is a singular phenomenon the spot where imagination and veracity intersect To Marshall Berman it is also the flashing teeming and strangely beautiful nexus of his life In this remarkable book Berman takes us on a thrilling illustrated tour of Times Square revealing a landscape both mythic and real Interleaving his own recollections with social commentary he reveals how movies graphic arts literature popular music television and of course the Broadway theater have reflected Times Square's voluminous light to illuminate a vast spectrum of themes and vignettes Part love letter part revelatory semiotic exposition of a place known to all *On the Town* is a nonstop excursion to the heart of American civilization written by one of our keenest most entertaining cultural observers

[Times Square and 42nd Street in Vintage Postcards](#) Randall Gabrielan, 2000 Times Square celebrated as the crossroads of the world begins at 42nd Street America's main stem Times Square has a rich history as the center of American popular culture embracing music theater and hospitality Forty second Street once the northern boundary of commercial New York was transformed into a legendary focal point of the publishing entertainment and transportation industries following the expansion of Grand Central Terminal

[Times Square Style](#) Vicki Gold Levi, Steven Heller, 2004-08-12 Before there was Vegas and long before there was reality television there was Times Square For a century it has stood as the blazing Crossroads of the World the sometimes magical sometimes tawdry but always spectacular epicenter of American commercial culture Times Square Style is a visual compendium of the energy and dazzle and glamour that made the Great White Way the most famous and notorious place in America's most famous and notorious city From Ziegfeld's Follies and George White's Scandals to titanic signs with screaming type Drink Pepsi Smoke Camels Good to the Last Drop to burlesques with dancing girls in short short skirts this book brings to colorful life a trove of arcane lost and otherwise forgotten promotions signs flyers programs posters records napkins advertisements billboards and other works of ephemera large and small Times Square Style is published on the centennial anniversary of this defining American place with more than 200 color images and 25 vintage black and white prints

Times Square Spectacular Darcy Tell, 2007-11-06 A visual history of Times Square from the late 19th century to today rich with rarely seen photographs of the neighborhood's shimmering pre World War II electric advertising signs In Times Square Spectacular Darcy Tell traces the 100 year story of Times Square using rare photographs and hand colored lantern slides maps restaurant menus theater programs magazine covers postcards sheet music and archival documents Presenting even the most familiar elements of Times Square lore with fresh eye catching detail she pays special tribute to ad man extraordinaire Douglas Leigh's arrival in the early 1930s which brought a stunning new era of electric brightness and innovation Leigh dominated the Broadway streetscape for nearly 50 years stopping traffic with special effects billboards such as the legendary Camel cigarettes smoke rings sign Covering both Times Square's infamous decline as well as its hard wrought present day revival Times Square

Spectacular is the first pictorial history of the legendary American landmark Times Square Red, Times Square Blue Samuel R. Delany, 1999-04-01 If one street in America can claim to be the most infamous it is surely 42nd Street Between Seventh and Eighth Avenues 42nd Street was once known for its peep shows street corner hustlers and movie houses Over the last two decades the notion of safety from safe sex and safe neighborhoods to safe cities and safe relationships has overcome 42nd Street giving rise to a Disney store a children s theater and large neon lit cafes 42nd Street has in effect become a family tourist attraction for visitors from Berlin Tokyo Westchester and New Jersey s suburbs Samuel R Delany sees a disappearance not only of the old Times Square but of the complex social relationships that developed there the points of contact between people of different classes and races in a public space In Times Square Red Times Square Blue Delany tackles the question of why public restrooms peepshows and tree filled parks are necessary to a city s physical and psychological landscape He argues that starting in 1985 New York City criminalized peep shows and sex movie houses to clear the way for the rebuilding of Times Square Delany s critique reveals how Times Square is being renovated behind the scrim of public safety while the stage is occupied by gentrification Times Square Red Times Square Blue paints a portrait of a society dismantling the institutions that promote communication between classes and disguising its fears of cross class contact as family values Unless we overcome our fears and claim our community of contact it is a picture that will be replayed in cities across America

Money Jungle Benjamin Chesluk, 2007-09-11 For more than a century Times Square has mesmerized the world with the spectacle of its dazzling supersigns its theaters and its often seedy nightlife New York City s iconic crossroads has drawn crowds of revelers thrill seekers and other urban denizens not to mention lavish outpourings of advertising and development money Many have hotly debated the recent transformation of this legendary intersection with voices typically falling into two opposing camps Some applaud a blighted red light district becoming a big budget mainstream destination Others lament an urban zone of lawless possibility being replaced by a Disneyfied theme park version of New York In Money Jungle Benjamin Chesluk shows that what is really at stake in Times Square are fundamental questions about city life questions of power pleasure and what it means to be a citizen in contemporary urban space Chesluk weaves together surprising stories of everyday life in and around the Times Square redevelopment tracing the connections between people from every level of this grand project in social and spatial engineering the developers architects and designers responsible for reshaping the urban public spaces of Times Square and Forty second Street the experimental Midtown Community Court and its Times Square Ink job training program for misdemeanor criminals encounters between NYPD officers and residents of Hell s Kitchen and angry confrontations between city planners and neighborhood activists over the future of the area With an eye for offbeat telling details and a perspective that is at once sympathetic and critical Chesluk documents how the redevelopment has tried sometimes successfully and sometimes not to reshape the people and places of Times Square The result is a colorful and engaging portrait illustrated by stunning photographs by long time local

photographer Maggie Hopp of the street life politics economics and cultural forces that mold America's urban centers
Shepherd of Times Square Paul Moore, Joe Musser, 1979 **The Times Square Story** Geoffrey O'Brien, 1998 A film
 scenario on life in Times Square in the 1950s Featuring some fifty still photos the scenario tells the story of a recently
 discharged GI who becomes involved in the district's lowlife *The Devil's Playground* James Traub, 2007-12-18 As Times
 Square turns 100 New York Times Magazine contributing writer James Traub tells the story of how this mercurial district
 became one of the most famous and exciting places in the world The Devil's Playground is classic and colorful American
 history from the first years of the twentieth century through the Runyonesque heyday of nightclubs and theaters in the 1920s
 and 30s to the district's decline in the 1960s and its glittering corporate revival in the 1990s First Traub gives us the great
 impresarios wits tunesmiths newspaper columnists and nocturnal creatures who shaped Times Square over the century since
 the place first got its name Oscar Hammerstein Florenz Ziegfeld George S Kaufman Damon Runyon Walter Winchell and the
 Queen of the Nightclubs Texas Guinan bards like A J Liebling Joe Mitchell and the Beats who celebrated the drug dealers and
 pimps of 42nd Street He describes Times Square's notorious collapse into pathology and the fierce debates over how best to
 restore it to life Traub then goes on to scrutinize today's Times Square as no author has yet done He writes about the new
 42nd Street the giant Toys R Us store with its flashing Ferris wheel the new world of corporate theater and the sex shops
 trying to leave their history behind More than sixty years ago Liebling called Times Square the heart of the world not just the
 center of the world though this crossroads in Midtown Manhattan was indeed that but its heart From the dawn of the
 twentieth century through the 1950s Times Square was the whirling dynamo of American popular culture and increasingly an
 urban sanctuary for the eccentric and the untamed The name itself became emblematic of the tremendous life force of cities
 everywhere Today Times Square is once again an awe inspiring place but the dark and strange corners have been filled with
 blazing light The most famous street character on Broadway the Naked Cowboy has his own website and Toys R Us calls its
 flagship store in Times Square the toy center of the universe For the giant entertainment corporations that have moved to
 this safe clean and self consciously gaudy spot Times Square is still very much the center of the world But is it still the heart
Mechanics' and Engineers' Pocketbook of Tables Charles Haynes Haswell, 1890 **The Many Faces of Times Square**
 Times Square Studio, 1975 **New York** Robert Fitzgerald, 2003 Times Square Red, Times Square Blue 20th
Anniversary Edition Samuel R. Delany, 2019-04-30 Twentieth anniversary edition of a landmark book that cataloged a vibrant
 but disappearing neighborhood in New York City In the two decades that preceded the original publication of Times Square
 Red Times Square Blue Forty second Street then the most infamous street in America was being remade into a sanitized
 tourist haven In the forced disappearance of porn theaters peep shows and street hustlers to make room for a Disney store a
 children's theater and large neon lit cafes Samuel R Delany saw a disappearance not only of the old Times Square but of the
 complex social relationships that developed there Samuel R Delany bore witness to the dismantling of the institutions that

promoted points of contact between people of different classes and races in a public space and in this hybrid text argues for the necessity of public restrooms and tree filled parks to a city's physical and psychological landscape This twentieth anniversary edition includes a new foreword by Robert Reid Pharr that traces the importance and continued resonances of Samuel R Delany's groundbreaking Times Square Red Times Square Blue *Where the Ball Drops* Daniel Makagon, 2004 An analysis of the transformation of Times Square from a seedy urban center to a family friendly entertainment district captures the competing social and cultural fantasies that are at work revealing an ongoing urban drama of the contradictions of public and private life *Max Neuhaus* Max Neuhaus, 2009 Sumario Preface Philippe Vergne Introduction Locational listening Lynne Cooke Moment and place art in the arena of the everyday Alex Potts An implication of an implication Branden W Joseph A talk between Peter Pakesch and Ulrich Loock about Max Neuhaus's time pieces Max Neuhaus sound into space Liz Kotz Installing duration time in the sound works of Max Neuhaus Christoph Cox *Reconstructing Times Square* Alexander J. Reichl, 1999 When the big ball drops on New Year's Eve thousands are there to witness that great glittering sight while millions more watch on national television Times Square may be the cultural hub of America the Crossroads of the World but its lights have not always shone as brightly as they do now Once a glamorous theater district Times Square and 42nd Street had degenerated into a neighborhood known for the winos and sex shops of Midnight Cowboy until New York's business and arts communities stepped in These advocates of urban revitalization exploited cultural and historic preservation arguments to transform a low income entertainment district into a Disney fied tourist mecca Where Ratso Rizzo once kicked cars and hookers plied their trade Mickey Mouse now greets visitors from atop a Disney superstore surrounded by rising office towers theaters and theme restaurants all thanks to huge tax subsidies and government support Alexander Reichl tells the fascinating story of how cultural politics and economic greed transformed the city's physical and social environment with an ongoing multibillion dollar redevelopment program changing the district from a symbol of urban decline to one of urban renaissance He explains the political significance of the historic preservation and arts related approach to urban revitalization showing how it was used to appeal to the upscale values of middle class New Yorkers often hostile to urban renewal He also examines the role of the Walt Disney Company in the project and demonstrates its power to redefine a premier public space In telling the story of Times Square Reichl reveals much about politics and power at the city level and their relationship to the development of urban space He frames his lively narrative with an illuminating account of how historic preservation initiatives at all government levels have displaced large scale federal urban renewal programs as the dominant approach to urban development and he shows the importance of political discourse and cultural politics in mobilizing public support for urban redevelopment Now that it has been reconfigured for the 21st century Times Square provides a rich and multifaceted case for exploring the latest trends in urban renewal Yet Reichl suggests much that has happened here is regrettable the ousting of low income citizens to serve commercial interests the loss of a culturally diverse

entertainment district and the failure to address persistent class and race based segregation in a central urban area By getting to the heart of the Great White Way Reconstructing Times Square provides an important look at urban renewal and politics in a changing America *New York Court of Appeals. Records and Briefs.* New York (State).,

Times Square Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Times Square**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
