TIMOTHY LEARY'S DEAD

The definitive documentary on LSD guru Dr. Timothy Leary, who invited America to "Turn on, tune in, and drop out!"

Timothy Learys Dead

Massachusetts

Timothy Leary's Dead:

Timothy Leary's Dead Paul Davids, Todd Easton Mills, 1997 **The Acid Queen** Susannah Cahalan, 2025-04-22 Shines a light on one of the twentieth century's most amazing untold life stories. An essential read and an unforgettable trip. Robert Kolker, author of *Hidden Valley Road*. Cahalan details a piece of lost but fascinating history: the story of a woman who embodied an era of freedom, experimentation, and psychedelic adventure. Meticulously reported and beautifully crafted. Susan Orlean. The untold story of the woman who played a critical role in bringing psychedelics into the mainstream until her audacious exploits forced her into the shadows from the #1 New York Times bestselling author of *Brain on Fire*. Rosemary Woodruff Leary has been known only as the wife of Timothy Leary, the Harvard professor turned psychedelic high priest whose jailbreak captivated the counterculture and whose life on the run with Rosemary inflamed the government. But Rosemary was more than a mere accessory. She was a beatnik, a psychonaut, and a true believer who tested the limits of her mind and the expectations for women of her time. Long overlooked by those who have venerated her husband, Rosemary spent her life on the forefront of the counterculture, working with Leary on his books and speeches, sewing his clothing, and shaping for better and for worse the media's narrative about LSD. Ultimately, Rosemary sacrificed everything for the safety of her fellow psychedelic pioneers and the preservation of her husband's legacy. Drawing from a wealth of interviews, diaries, archives, and unpublished sources, Susannah Cahalan writes the definitive portrait of Rosemary Woodruff Leary, reclaiming her narrative and her voice from those who dismissed her. Page-turning, revelatory, and utterly compelling, *The Acid Queen* shines an overdue spotlight on a pioneering psychedelic seeker. [The New York Times Film Reviews 1999-2000](#) New York Times Theater Reviews, 2001-12. From the Oscar-winning blockbusters *American Beauty* and *Shakespeare in Love* to Sundance oddities like *American Movie* and *The Tao of Steve* to foreign films such as *All About My Mother*, the latest volume in this popular series features a chronological collection of facsimiles of every film review and awards article published in *The New York Times* between January 1999 and December 2000. Includes a full index of personal names, titles, and corporate names. This collection is an invaluable resource for all libraries. *Fifty-Five Rides and Morocco Too* David Shwaiko, 2016-05-21. The author loved to hitchhike. The seventies were hitchhiking's golden age. From 1970 to 1976, by himself and with three different partners, he hitchhiked literally thousands of miles. He just totaled it up. Including all the short US hitches and the three long ones—the two long Canadian hitches and the European hitches—it totals out to about twenty-seven thousand miles. That's longer than the circumference of our beloved planet Earth. Mostly in the early years, he hitchhiked with his best friend Jack. On one trip, they used Interstates 84, 90, and 94 from Milwaukee to Washington state and back, making side trips whenever they felt like it. On their longest trip, the Grand Loop, they hitchhiked west over 1,500 miles on Canada's Highway 1, then south the entire 1,300 miles of gorgeous coastal US Highway 101, and then to Texas and back home. That hitch was about seven thousand miles. Then in 1974, the author and Jack made it to Europe and Morocco too. Maybe you picked the author up. He

usually set out from Milwaukee or Madison Wisconsin On day trips hed be alone When he wasnt with Jack on longer trips and some were weeks long hed hitch with a girlfriend or his sister You get more rides many more and much quicker accompanied by a woman There was some danger but not much There was a lot of pot smoking Those rides were fun but essentially uneventful He doesnt dwell on them much So he will do that here The VW van that picked us up was full of kids about our age They were drinking beer and smoking pot They shared with us It was free and we didnt want to be rude We drank and smoked got drunk and high and enjoyed the ride Believe me there were plenty of those rides in the seventies Maybe Ill stick one in the book every once and awhile But mostly I prefer the other more unique rides and road experiences They are genuine mostly not overly dramatic and from another place and time

Rock Obituaries: Knocking On Heaven's Door Nick Talevski,2010-04-07 The fascination with tragedy and the subsequent theatre of voyeurism are part of human nature especially when it involves our icons celebrities and musicians Knocking On Heaven s Door is the definitive book of rock n roll pop R B and blues deaths Often only the biggest selling artists are written about and sometimes it is the death of a personality that cements their iconic status Knocking On Heaven s Door not only covers the rock legends who lived hard and died young this detailed reference contains over 1 000 obituaries of music industry personalities famous and obscure from mid fifties to the present day Alphabetical entries of all the important individuals including noteworthy producers managers songwriters record company founders A R men and even critics puts all the information at your finger tips Nick Talevski has spent a decade researching this comprehensive and authoritative reference book and it will be an indispensable and practical addition to every music library full of irresistible and intriguing information
