How to Improve Classroom Discipline Mervin Hempel,2003 Do you wish that teaching the children in your classroom would be easier organized and more enjoyable If your answer is yes then read on Help is on the way for you It s so easy to choose one or more of the strategies in this book and plug them into your existing classroom management plan LEARN SIMPLY EASILY How to teach children to solve their own problems How to quieten a noisy class How to help students assess and modify their own behavior How to motivate your students with the money game It s fun How to use praise to get cooperation How to improve student teacher relationships How to control stress How to report and document discipline problems as they occur How to use the 10 step conferencing strategy to change behavior How to protect the socially rejected child How to use the behavior modification tracking sheet How to be consistent so your discipline plan works There are many more great classroom and whole school strategies to make your teaching more enjoyable

The Educator's Guide to Preventing and Solving Discipline Problems Mark Boynton,Christine Boynton,2005 This book from two veteran educators covers virtually every aspect of effective discipline systems including classroom components techniques for teachers and buildingwide philosophies

Preventing Classroom Discipline Problems Howard Seeman,1988

Beyond Screaming and Shouting Edwin Jessie Tanner,2011 This study is about improving the discipline in order to maximize learning in the lower primary music class of the Oriental Universal School fictitious name It was argued that studying the literature is a necessary but not adequate condition for practitioners to improve classroom discipline therefore Action Research was employed with the aim of improving teaching practice by achieving effective behaviour management in class The key research question explored in this study was How can classroom management and discipline be improved so that learning of music can be optimized The study went on for three academic years with a large amount of data collected mostly in the form of notes and diaries Action Research was demonstrated to be an effective way of supporting the process of improving classroom discipline No one approach alone was adequate in solving discipline problems but rather the teacher can use a variety of strategies according to the situation and context The most crucial findings were the use of rhythm vocal echo positive negative reinforcement and the importance of teacher well being physically and emotionally fit enthusiastic positive and encouraging Other important long term strategies included relationship building and working with one child at a time In doing so the teacher needs to be knowledgeable resourceful and flexible striving to the best for the students in a loving and yet firm manner The process of AR can help the teacher to face challenging situations with positive hopes instead of pessimistically dreading difficulties

The Teacher's Guide to Restorative Classroom Discipline Luanna H. Meyer,2012

Classroom Discipline Logan Reynolds,2019-10-23 If you are a

teacher looking for a solution that can bring the right discipline and the right mindset into your classes then read on Dealing with terrible unruly classes which have little respect for the figure of the teacher is on the agenda If you have already tried some traditional methods of punishment you have probably noticed that it didn't do anything except for a very brief illusory period Being rigid and strict like teachers of the past is no longer the right solution Today's students are not easily impressed and often parents are on their side But the solution to finish your lessons with a big smile exists This book was written by Logan Reynolds for this purpose Below you will find the main topics that will allow you to rediscover your passion for teaching putting an end to your frustrating working days What restorative justice is and how you can exploit its benefits Why traditional punishment does not work in schools What skills will help you achieve proper class discipline What principles to work on to improve the discipline of your students What you should do to make sure your students learn to be empathic towards their peers and the people around them How to handle inappropriate behavior in the classroom How to build a bond with your students How to encourage students to take responsibility for their actions How to help students develop a growth mindset Tips to deal with disruptive behavior How to help students own their problems and identify solutions How should the administration support teachers How should schools involve parents Even if you think you are dealing with the most undisciplined students on the planet this guide will make them your best students respectful and positively involved in your lessons All you have to do is scroll up and click the Buy Now button

Flourishing in the Classroom Martha Elizabeth MacCullough, 2020 **The Discipline Book** Richard Curwin, Allen N. Mendler, 1982-10-01 **Respectful Discipline** Brittingham Professional Development Seminars, 2003-01-01 **Secrets to Success in the Elementary Music Classroom** Valeaira Luppens, Greg Foreman, 2010-04 The secrets you will discover in this reproducible book are the collaborative efforts of veteran elementary music teachers with strong diverse and successful approaches The authors of Making the Grade and both volumes of The Music Substitute Sourcebook reveal proven strategies for success in the elementary music classroom including what every well equipped music classroom or traveling teacher should have secrets to creating beautiful concept based bulletin boards model lesson plans utilizing the National Standards for Music Education assessment and technology secrets to make your job easier and many more exciting ideas to bring you immediate success
