CHRISTIAN TITHING?

Tithing Is Christian:

Should the Church Teach Tithing? Russell Kelly, Ph.D., 2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God's better principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing [Why Christians Should Not Tithe](#) James D. Quiggle, 2009-08-01 The premise of *Why Christians Should Not Tithe* is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed *Why Christians Should Not Tithe* is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or herself **Is Tithing a Christian Requirement?** Creation Liberty Evangelism, Christopher J.E. Johnson, 2014-08-06 Most Christians I've met believe that tithing is something they are required to do but I will demonstrate that this is preached from Old Testament Hebrew law and not New Covenant Gospel *Tithing after the Cross* David A. Croteau, 2016-09-21 Some in the church find it very difficult to talk about money but it's a subject that cannot be avoided The church needs money to continue to function Missionaries need money to carry the gospel As a result however reluctant we are to talk about it we have to do so And when we do so we often generate more confusion and resentment than cash Some churches require that members be tithers before they can take positions of leadership This in turn can result in a sort of spying by one believer on another How much do we each earn Is our giving equal to 10% of our income On the other hand there are those who discount tithing and consider themselves tithers because they give two or three percent of their income They may say that they tithe 3% of their income But what exactly does the Bible teach about tithing and how does that apply to us today Is there a way for us to become grace filled givers Can stewardship giving and financing the work of building the kingdom become a joy rather than a duty or a source of dissension David Croteau has written at length on this topic before In this volume of the *Areopagus Critical Christian Issues* series he undertakes a brief examination of tithing stewardship and giving He starts by asking just

what the Israelites were called on to give by the scriptures He then follows through the various arguments in favor of tithing as a law applicable to Christians and shows how these arguments fail Finally he discusses a basis for gracious joyful giving as God directs each of us In just 96 pages including all the front matter you ll find your understanding of Christian stewardship changed You won t find here a license for apathy or selfishness Instead you ll find a challenge to discover and do God s will in your finances as in every other area of your life

Kendall, 1983 Reasons for tithing and answers to objections are all given in *Tithing based on study of both the Old and New Testaments* This book is essential reading on the subject of Christian stewardship **Tithing in the New Testament and the Christian Church** Angel M Rodriguez, *TITHING IN THE NEW TESTAMENT AND THE CHRISTIAN CHURCH* STW 1070 by Angel Rodriguez former Director of the Biblical Research Institute Is there any evidence to the effect that early Christians supported the gospel ministry through their tithes Dr Angel Rodriguez faces this important question in order to reveal the biblical basis for the practice of tithing in the Christian church This small volume attractively bound and designed is an important read and vital study that you will want to keep at hand *Tithingism* Thomas Moore, 2021-05-25 This book has been in the making for 50 years ever since Thomas Moore found a germ within the tithing doctrine that departed from the Living God Thomas set out in 1973 to expose where this germ corrupts the basic doctrines of the New Testament but in so doing he found that he needed to acquire a full understanding of all the primary Christian doctrines This required reading the entire Bible from cover to cover many times in different translations as well as compiling an extensive theology library Years were spent reading entire commentaries word studies and systematic theology by various scholars along with sermons and lessons from the greatest preachers of all time In 2015 the author finished following the tithing germ through every school of theology and discovered the specific truths of Scripture being violated In 2015 he began

writing the book to refute each false teaching that supports the false doctrine of tithing and expose all of its fallacies heresies and blasphemies which was published in November of 2019 as Living Waters from Difficult Passages The book is very thorough It not only exposes the heresies and blasphemies but also contains the popular verses of Scripture that pastor s abuse in order to support the tithing practice This made the book almost 500 pages long Many people are not interested in a book that large so the author developed this book as a companion book which is a quick and easy read just covering the basic blasphemies of the religious tithing teaching If reading TITHINGISM peaks your interest for more insights and Biblical evidence into the false teachings of the tithing tradition then Living Waters from Difficult Passages will satisfy completely

Should Christians Tithe? John Lemmon,2019-09-19 Within the Christian Church there are always sticking points that cause disputes and the question of tithing is one of the big ones Everyone in the church has an opinion about whether Christians should or should not tithe But an opinion is not the truth The only source of truth we have today is the words of God written down for our instruction in the Bible So it is to the Bible we must go to get the definitive answers about the question Should Christians tithe Allow me to pose a couple of questions How important do you think it is to worship God correctly How important is it to follow the teachings and instructions of Jesus Christ who is after all the head and the founder of the Christian church My answer to these questions is that it is beyond important It s critical And it is also critical that we understand the modes practices and methods of our worship to ensure we get it right To tithe or not to tithe is a serious issue for the modern church and it is not merely a question of church finances Tithing goes to the very core of the truth of the New Covenant and unless addressed and understood correctly it can render the New Covenant ineffective just as the Israelites did not understand the correct mode of worship when they made the idol of a calf In this book we take an evidence and fact based approach to seeking the truth of this issue We will only consider the scriptures to address this matter and we will look at the broader picture to gain an understanding of the foundations of the two covenants to better understand the implications of tithing for the Christian church If tithing is not properly understood especially as to whether a person should or should not tithe and if the question about tithing is not dealt with correctly within the Christian church it will nullify the truth of the New Covenant potentially cutting people off from Christ That I believe is

how serious the matter of tithing and the ramifications that tithing has for the Christian church today must be considered In this book we will examine what the scriptures say about tithing and using that knowledge we will come to an understanding of whether Christians should tithe or not You may be asking yourself whether the answer I came to in this book comes down to whether tithing should form part of Christianity or not Did I come to a position Yes I did based on scripture alone And I believe it is the correct position because the Bible tells me so Getting this question right is critical to the modern church and if you don t want to pay for this book here go across to my website to find out how you can get a free copy I don t want to put any boundaries up to prevent anyone from finding out the truth of this matter It is that important to all Christians

Tithing, Giving and the New Testament Anastasios Kioulachoglou,2008-11 Tithing Giving and the New Testament sets out to examine tithing from the New Covenant s perspective and without preconceived ideas It starts examining tithing in the Old Testament Then explores what the New Testament says about giving Were the Christians in the 1st century churches the churches we find in the New Testament tithing How did they apply giving To whom did they give how much and based on which principle If they had a budget what would the items in this budget look like Inevitably it compares their practices with our practices There is much that can be learn about this topic from the Word of God and the purpose of this book is to bring it to light for the benefit and the enlightenment of the readers Anastasios Kioulachoglou is a business consultant and lay teacher in the body of Christ He is a native Greek speaker In his spare time he works on his Bible teaching online magazine The Journal of Biblical Accuracy www.jba.gr
