the prime suspect in his murder Circumstances back Kit s claim of innocence but her photograph has gone viral and the heat won t be off until the killer is found Well loved though the senator was suspects about Langsford had begun to vote with his conscience which meant he was often at odds with his party Not only had the senator decided to quash the ambitions of a major military contractor but his likely successor is a congressman he trounced in the last election Then there s the suspiciously dry eyed Widow Langsford Kit s tabloid infamy horrifies her boyfriend s upper crust family and it could destroy her career However she and her free spirited friend Meg have a more pressing reason to play sleuth The police are clueless in more ways than one and Kit worries that the next task on the killer s agenda will be to end her life
