Voices From Armageddon:

Armageddon's Children Terry Brooks, 2007-07-31 NEW YORK TIMES BESTSELLER In this exciting first of a new fantasy trilogy bestseller Brooks effortlessly connects the Tolkien infused magic of his Shannara books with the urban postapocalyptic world of his Word and the Void series Longtime Brooks fans and newcomers will be riveted Publishers Weekly starred review In our world s near future civilization has fallen into terrifying chaos Navigating the scarred landscape that once was America and guided by a powerful talisman Logan Tom has sworn an oath to seek out a remarkable being born of magic and destined to lead the final fight against darkness In time Logan s path will cross with others Angel Perez herself a survivor of death dealing forces and a makeshift family of refugees forced to survive among street gangs mutants and marauders Common purpose will draw Logan and his allies together Their courage and convictions will be tested and their fates will be decided as their singular crusade begins to take back or lose forever the only world they have Dynamic compelling mesmerizing with a cliff hanger that leaves readers salivating for the sequel Booklist starred review Strongly recommended a transformative work SFRevu

Voices from Armageddon Larry Rich, 2006 The word Armageddon conjures up images of fear and ultimate cataclysm The bloody 4 000 year history of the Valley of Armageddon today known as the Jezreel Valley reinforces those beliefs There is however another much quieter reality very much alive in the valley Despite the history the prophecy the current unrest and warfare there are people from both sides of the conflict who understand that we are capable of respecting one another with dignity Israeli doctors treat patients who are dedicated to their destruction Palestinian Muslims help Jews These people are living testimony to the spirit of forgiveness and to the power of acceptance These voices may represent the real ultimate conflict of Armageddon the battle between the forces of good and evil within ourselves

Voices of Yesterday Michael Yarwood, 2009 A group of Jews in the walled section of Warsaw takes on the might of the German Waffen SS in 1942 43 in a story loosely based on factual characters and locations The Jews held the Waffen SS at bay for nearly a month

The Cannibal Within Mark Mirabello, 2005-02 They raped me and ate my friend alive Thus starts this work of erotic horror fiction filled with sacrilege blasphemy and crime written in a style that is part H P Lovecraft part Marquis de Sade and part Octave Mirbeau The Cannibal Within is literally wet with sin slippery with blood and slimy with fornication The novel s central character is part Lara Croft part Sarah Connor She We has a choice the evil may be patiently borne or savagely resisted We may think we are special holy honoured valued God s chosen primates but that is a fraud The dupes of superhuman forces we are misfits and abominations We have no higher purpose no saviour god died for our sins we exist only because our masters are infatuated with our meat
