## Walk It Off With George:

*The House at Miller's Court* K. Patrick Malone, 2010-12      Tombstone M Missy, 2021-12-15 Hello my name is Morgan Matthew McCoy III I grew up near the small coal mining town of Pottsville Pennsylvania At 18 years of age we moved to Tombstone Arizona my father was a mining engineer My childhood was full of confusion despair sadness a very disappointed father a very loving mother a thick leather strap many tears and a saving angel During my growing years in Pennsylvania during our wagon train trip to the West and after our settlement in Tombstone problems and trouble seemed to find me at every turn There just seemed like there were bad men everywhere sometimes the bad person was me Because of some special God given talents though no wish of my own I became the greatest UNKNOWN gun fighter protector of the innocent and healer of the sick and injured the West had ever NOT KNOWN My great fame came not just because of my many feats but from the fact I was able to keep my identity a secret Thus I became known as The Ghost How did I do so I had secrets of my own My story will tell you while the likes of my friends Wyatt Earp and his brothers Morgan Warren and Virgil along with Wyatt's good friends Doc Holiday and Bat Masterson became the famous ones it was me who was the real law the real protector of the people It was me who helped Wyatt Earp finish the outlaw group known as THE COWBOYS I have killed more bad men than all the famous lawmen put together It was me Well let me not tell you the end of my story now Let me just say you will be surprised to know the answer to two of the West's most famous mysteries How did I accomplish such without becoming famous myself how did I hide my identity That answer is what made my life the most unusual of lives That answer is what made me who I became THE GHOST      **Uncle George Pops in** Arthur LeRoy Kaser, 1928      The Selected Works of George Alfred Henty George Alfred Henty, You may be told perhaps that there is no good to be obtained from tales of fighting and bloodshed that there is no moral to be drawn from such histories Believe it not War has its lessons as well as Peace You will learn from tales like this that determination and enthusiasm can accomplish marvels that true courage is generally accompanied by magnanimity and gentleness and that if not in itself the very highest of virtues it is the parent of almost all the others since but few of them can be practiced without it The courage of our forefathers has created the greatest empire in the world around a small and in itself insignificant island if this empire is ever lost it will be by the cowardice of their descendants At no period of her history did England stand so high in the eyes of Europe as in the time whose events are recorded in this volume A chivalrous king and an even more chivalrous prince had infected the whole people with their martial spirit and the result was that their armies were for a time invincible and the most astonishing successes were gained against numbers which would appear overwhelming The victories of Cressy and Poitiers may be to some extent accounted for by superior generalship and discipline on the part of the conquerors but this will not account for the great naval victory over the Spanish fleet off the coast of Sussex a victory even more surprising and won against greater odds than was that gained in the same waters centuries later over the Spanish Armada The historical facts of the story are all
