Traveling with Skeptics Ken Ewell, 2009-11 Traveling with Skeptics is the much anticipated sequel to the critically acclaimed book Traveling with Philosophes However due to the author's honest and straightforward portrayal of the people of France he has incurred the wrath and condemnation of the French literary and intellectual establishment with many persons voicing harsh opinions as regards this unique and insightful work Insignificant writers cannot be crushed they lie too flat beneath the foot Honore de Balzac The art of writing is the art of discovering what you believe Clearly this most presumptuous writer believes in nothing Gustave Flaubert Since a person is never happy except at the price of some ignorance this writer must be the happiest man in the world Anatole France As soon as he ceased to be mad he became merely stupid As soon as he ceased to be stupid he became merely this writer Marcel Proust This author should be deconstructed with the aid of a guillotine Jacques Derrida There is but one truly philosophical problem and that is this author's suicide or murder Albert Camus If Hell is other people then this writer can go to Hell Jean Paul Sartre
