Wandas Charms:

From Colonial to Modern Michelle J. Smith, Kristine Moruzi, Clare Bradford, 2018-04-13 Through a comparison of Canadian Australian and New Zealand texts published between 1840 and 1940 *From Colonial to Modern* develops a new history of colonial girlhoods revealing how girlhood in each of these emerging nations reflects a unique political social and cultural context Print culture was central to the definition and redefinition of colonial girlhood during this period of rapid change Models of girlhood are shared between settler colonies and contain many similar attitudes towards family the natural world education employment modernity and race yet as the authors argue these texts also reveal different attitudes that emerged out of distinct colonial experiences Unlike the imperial model representing the British ideal the transnational girl is an adaptation of British imperial femininity and holds for example a unique perception of Indigenous culture and imperialism Drawing on fiction girls magazines and school magazine the authors shine a light on neglected corners of the literary histories of these three nations and strengthen our knowledge of femininity in white settler colonies

The White Road Sarah Lotz, 2017-05-30 A cutting edge thriller about one man's quest to discover horror lurking at the top of the world Desperate to attract subscribers to his fledgling website Journey to the Dark Side ex-adrenalin junkie and slacker Simon Newman hires someone to guide him through the notorious Cwm Pot caves so that he can film the journey and put it on the internet With a tragic history Cwm Pot has been off limits for decades and unfortunately for Simon the guide he's hired is as unpredictable and dangerous as the watery caverns that lurk beneath the earth After a brutal struggle for survival Simon barely escapes with his life but predictably the gruesome footage he managed to collect down in the earth's bowels goes viral Ignoring the warning signs of mental trauma and eager to capitalize on his new internet fame Simon latches onto another escapade that has that magic click-bait mix of danger and death a trip to Everest But up above 8000 feet in the infamous Death Zone he'll need more than his dubious morals and wits to guide him especially when he uncovers the truth behind a decade-old tragedy a truth that means he might not be coming back alive A truth that will change him and anyone who views the footage he captures forever
