Rethinking Writing One Word at a Time Sheila Beverly, 2023-12-08. Reviews Sheila Beverly's new workbook Rethinking Writing One Word at a Time is a promising tool for helping students who struggle with writing. Mrs Beverly, who holds a B.A. in English and an M.Ed. in reading education, has years of experience teaching students to write. At first, her innovative Grammar Bubble appears to be a part-to-whole approach to teaching writing. But in truth, she uses direct teaching of the eight parts of speech as an entry point, a conceptual structure, and a motivational hook to get hesitant writers to put their ideas down on paper. Then Mrs Beverly uses a workshop/collaborative model to keep her students writing, drafting, sharing, revising, and editing. It is obvious that much thinking, trying out, and improving has gone into the activities described in this workbook. It is also obvious from reading the revealing Preface that Mrs Beverly is a committed educator who is passionate about empowering her students to express their voices in print.

Dr Darrell Morris, Professor of Reading Education, 2016-2017 Distinguished Graduate Faculty Award, Director of Anderson Reading Clinic, Department of Reading Education, English Department Chair, Retired. I wish I had Rethinking Writing One Word at a Time: Eight Parts of Speech when I was teaching in the classroom. Finally, a workbook that really breaks down grammar and writing in a way that builds and makes sense to the teacher and the learner. The Grammar Bubble Manipulative, Toy games, writing prompts, and more are great for emerging writers and those who need a writing refresher. It is interactive and thought-provoking. This workbook could benefit anyone who desires to grow in their writing journey by starting with Rethinking Writing.
