*American Book Publishing Record* , 1984 **British Books in Print** , 1967 *The Publishers' Circular and Booksellers' Record* , 1926 **Wuthering Heights the Complete & Unabridged Large Print Classic Edition** Emily Brontë, 2016-12-11 This premium quality large print edition contains the complete and unabridged classic version of Wuthering Heights printed on heavy bright white 60 paper in a large 7 44x9 69 format with page headers and a fully laminated full color cover featuring an original design Also included in this edition is an original introductory essay discussing the life and work of the author as well as commentary written by Emily's sister Charlotte Brontë discussing the historical context and providing an analysis of the work written for the 1850 second edition published after Emily's death Film adaptations have tended to present Wuthering Heights as a tragic romance with gothic overtones truncating a story which is more about uncontrolled passions revenge hatred cruelty and thwarted desire and which traces the effects of these forces through two generations The story centers around Heathcliff a mysterious gypsy like person from his street orphan childhood to his death in his late thirties Comfortable in his adopted family and reduced to the status of a servant following the death of the patriarch Heathcliff runs away when the young woman he loves decides to marry another Returning years later rich and educated he sets about taking revenge on the two families he believes have ruined his life heedlessly and maliciously ruining the lives of all around him Initially puzzling because of its then unusual structure and regarded dubiously because of its stark portrayal of amoral passion and psychological and physical cruelty critical reaction to Wuthering Heights was mixed But by the turn of the 20th century the passage of time and the rise of modernism led to a reappraisal by critics who began to consider the book a literary classic long after the reading public had embraced it Exploring themes like social class and gender inequality Wuthering Heights has become a timeless classic enjoyed by generations of readers Emily Jane Brontë July 30 1818 December 19 1848 was an English novelist and poet best remembered for Wuthering Heights her only novel Born in a Yorkshire village in Northern England Emily was the fifth of the six children of Maria Branwell and Patrick Brontë an Irish Anglican clergyman Following the death of their mother in 1821 the three oldest sisters Maria Elizabeth and Charlotte were sent to the Clergy Daughters School at Cowan Bridge an awful experience which later provided material for Charlotte Brontë's novel Jane Eyre Emily was sent to join her sisters at the school in November 1824 but when a typhoid epidemic at the school left Maria and Elizabeth sick Maria was sent home and soon died and the remaining sisters were brought home in June 1825 Elizabeth died shortly after their return home Educated at home thereafter the children had access to a wide variety of books Their imaginations fired by favorites like Scott Byron and Shelley they began writing stories and poems of their own creating imaginary worlds like Angria and Gondal In 1846 the three surviving sisters published a

combined book of poetry which contained poems by Currer Charlotte Acton Anne and Ellis Emily Bell The volume of poetry has been traditionally reported to have sold two copies The use of these pseudonyms would result in later confusion with the sisters and their works occasionally being mistakenly identified after the publication of their novels in 1847 Emily s personal life remains little known at least in part because of her shy nature and almost reclusive habits She seems to have had no friends outside her family and much of what is known about her derives from a few well worn anecdotes She died of tuberculosis in 1848 having wasted away during her illness to the point where it was reported that her coffin was only sixteen inches in width Wuthering Heights Annotated Emily Bronte,2020-07-16 Wuthering Heights by Emily Bront is part of the Literary Classics Collection which offers quality editions at affordable prices to the student and the general reader including new scholarship thoughtful design and pages of carefully crafted extras Here are some of the remarkable features of the Literary Classics Collection *On Cassette* ,1991 **Wuthering Heights** Emily Bronte,2023-08-03 Wuthering Heights penned by Emily Bront is a revered masterpiece in classic British literature As the only novel from Emily Bront it holds a unique place in the collection of Emily Bront books The novel unfolds the tale of Catherine Earnshaw and Heathcliff and their tumultuous consuming love that transcends societal norms life and even death The deep often destructive passion between the central characters has earned Wuthering Heights its enduring status in the pantheon of classic romantic literature Set against the wild brooding moors of Yorkshire the novel s atmospheric setting intensifies the turbulent relationship at its heart The book s powerful evocation of the landscape adds an additional layer of depth making it a captivating read for fans of gothic literature Wuthering Heights goes beyond a simple love story It delves deep into themes of obsession social class and the destructive power of love and revenge setting it apart as a thought provoking work of Victorian era narratives The narrative s complex structure a story within a story told through multiple perspectives sets Wuthering Heights apart as an innovative work in narrative structure literature This unique storytelling approach enhances the sense of drama and suspense throughout the novel Despite the novel s initial controversial reception Wuthering Heights has since gained recognition for its profound exploration of passion morality and the human condition Its unconventional narrative unforgettable characters and exploration of powerful themes continue to captivate and resonate with readers worldwide

**Wuthering Heights** Emily Brontë,2017-09-02 Wuthering Heights is a wild passionate story of the intense and almost demonic love between Catherine Earnshaw and Heathcliff a foundling adopted by Catherine s father After Mr Earnshaw s death Heathcliff is bullied and humiliated by Catherine s brother Hindley and wrongly believing that his love for Catherine is not reciprocated leaves Wuthering Heights only to return years later as a wealthy and polished man He proceeds to exact a terrible revenge for his former miseries The action of the story is chaotic and unremittingly violent but the accomplished handling of a complex structure the evocative descriptions of the lonely moorland setting and the poetic grandeur of vision combine to make this unique novel a masterpiece of English literature About Emily Bronte Books Emily Jane Bronte was a
