*Batista Unleashed* Dave Batista, 2007-10-16 People around the world know Dave Batista as World Wrestling Entertainment's the Animal the rope shaking spine busting World Heavyweight Champion one of the most popular Superstars in recent years The crowd turned Batista from heel to babyface after they were electrified by his awesome physique and physical wrestling style Few fans however know that Batista didn't join the profession until he was thirty years old an age at which many wrestlers are thinking about hanging up their boots Nor do most fans know the tremendous toll the climb to the top has taken on Batista's personal life While successfully staying away from hard drugs and usually liquor he found sex too tempting to resist Women were my drug of choice the Animal confesses That addiction cost him his marriage destroying a relationship that had helped him climb from poverty to the pinnacle of sports entertainment in less than two years Now in *Batista Unleashed* the WWE Superstar comes clean about the choices he made and the devastating effects they had on his family He talks about the injury that stripped him of his title an injury he blames on Mark Henry's carelessness While being sidelined cost Batista untold hundreds of thousands of dollars in lost income it also set the stage for a tremendous comeback that cemented the Animal's reputation as a true champion Batista talks about growing up in the worst part of Washington D C where three murders occurred in his front yard before he was nine He speaks lovingly about his mother a lesbian and how hard she worked to keep the family not just together but alive He talks candidly about his own criminal past a conviction on a drug charge and another since overturned on assault He speaks of his days as a bouncer and a lifeguard and tells how bodybuilding may have saved his life Once he made it to the WWE Batista realized he wasn't really ready for the big time His career seemed headed for a fall until Fit Finlay took him under his wing But his real education came when he joined Evolution and rode with Triple H and Ric Flair two of sports entertainment's all time greats Batista talks about what they taught him and details some of their wild times on the road But the champ also reveals a kinder gentler side While his soft spoken manner in the locker room has sometimes been misinterpreted as arrogance in truth Batista's always been somewhat shy and quiet Emotional by nature he reveals for the first time that the tears fans saw at WrestleMania 21 when he won the World Heavyweight Championship for the first time were very real And he speaks movingly about his problems with his ex wives and teenage daughters and how it felt to become a grandfather While his straight shooting mouth has occasionally gotten him into trouble most notably in a backstage confrontation with Undertaker after some remarks about SmackDown Batista is his own harshest critic He explains his early

limitations as a wrestler and the work he has done to overcome them Interspersing his memoir with accounts from life on the road Batista lightens the narrative with a surprising sense of humor An Animal in the ring he reveals himself as an honest and even humble man in everyday life
