Yankee Cook:

Durgin-Park Cookbook Jane Stern, Michael Stern, 2002-12-30 No restaurant defines Yankee cooking as well as Boston's Durgin Park. In an atmosphere of clattering dishes, conversation, and sharp-tongued waitresses, it serves its time-hallowed specialties: roast beef that may be the best anywhere, incredible quantities of Boston baked beans, New England boiled dinners, chowder, apple pie, apple pan-dowdy, and hot cornbread. Few restaurants can claim a tradition as long and entrenched as Durgin Park. Founded in 1827, it has had only four owners. Chef Tom Ryan has worked there for 40 years and learned how to cook the Durgin Park way. Many of the legendary waitresses who display an attitude towards the customers have worked at Durgin Park for their entire careers. Franklin Roosevelt ate there when he went to Harvard. Calvin Coolidge was a regular, and Teddy Roosevelt satisfied his hearty appetite there, as did his sons. The Durgin Park Cookbook contains not only Tom Ryan's recipes for his classic New England dishes, but the stories and photos make reading the book like a visit to the Boston landmark. Its history, its traditions, its atmosphere, and its commitment to quality are all described and illustrated. This important addition to the Roadfood™ Cookbook series is sure to be a favorite with people in New England and throughout the country. Other books in the series include *El Charro Caf Cookbook*, *The Blue Willow Inn Cookbook*, and coming next, *January Louie's Backyard Cookbook* from Key West, Florida.

Collection of recipes from 6 New England states

Southern Yankee Cooking Brian L. Knack, 2015-09-14 I grew up on a farm in New York, just a couple of hours north of New York City. I lived in the same area until I was 38, then I moved to South Carolina. I have lived here for 7 and a half years now and have discovered that there are more Yankees in the South than there are in all of New York. When you look at a map showing migration of US citizens to other states, it shows that at least half of the citizens that move every year move to a southern state. It's a Yankee invasion. With this in mind, I decided to work to fuse the completely different cultures by using food I love to cook. As I said, I grew up on a farm in the country and cooked all the time. When I came to South Carolina, my love for cooking grew even more as I learned to cook some good Southern Home Cooking. Over the years, I have dabbled and fiddled with some of the recipes I learned from my home in the Catskill Mountain region of Upstate New York, with some of the new ones I have learned in my time in South Carolina. The result has been unique recipe creations that fuse the two cultures, combining the home cooking styles of the South with the hearty country cooking of the North. These recipes have never failed to get rave reviews by all who have tasted them. I like calling it Southern Yankee Cooking. I've added 22 NEW Southern Yankee creations for you to try and enjoy. So without any further ado, let's get on with the cooking. Eat and enjoy.
