Outlook and independent Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1928

Outlook and Independent, 1924 **The Rebel Café** Stephen R. Duncan, 2018-11-01 An account of how the subterranean nightspots in 1950s New York and San Francisco became social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In *The Rebel Caf* Stephen R Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce *The Rebel Caf* profiles hot spots such as the Village Vanguard the hungry i the Black Cat Cafe and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics What emerges in these pages is nothing less than a comprehensive psycho social geography of an underground counter culture of black and white jazz musicians leftists poets artists beatniks gays and lesbians and other people of the demi monde

All About Jazz **Salt Lake City Chef's Table** Becky Rosenthal, Josh Rosenthal, 2015-01-20 Though the West was won years and years ago the pioneer spirit lives on in Salt Lake City SLC The local food scene is ripe with opportunity and alive with food entrepreneurs filled with ideas that many thought would never take off in Salt Lake City let alone fly Salt Lake City may be known for a world renowned choir and the Transcontinental Railroad s Golden Spike but it s a modern vibrant city that has held on to its pioneer spirit And nowhere is that force stronger than in the local food scene ripe with opportunity and ingenuity The foodie community embraces collaboration and generosity so local restaurants bars and suppliers pardon the pun feed on each other to reach greater heights Entrepreneurs are serving everything from bone marrow to tumbleweed while foraging for mushrooms and new ideas to elevate SLC and its culture With 76 recipes for the home cook from the area s most celebrated eateries and showcasing over 200 full color photos featuring mouth watering dishes famous chefs and lots of local flavor *Salt Lake City Chef s Table* is the ultimate gift and keepsake cookbook for both tourists and residents alike

Ruth Asawa and the Artist-Mother at Midcentury Jordan Troeller, 2025-07-01 How a group of artist mothers in postwar San Francisco refused the centuries old belief that a woman could not make art while also raising children For most of modern history to be an artist and a mother was to embody a contradiction in terms This awful dichotomy as painter Alice Neel put it pitted artmaking against caretaking and argued that

the best art was made at the expense of family and futurity But in San Francisco in the 1950s and 1960s a group of artists gathered around Ruth Asawa 1926 2013 began to reject this dominant narrative In Ruth Asawa and the Artist Mother at Midcentury Jordan Troeller analyzes this remarkable moment Insisting that their labor as mothers fueled their labor as artists these women redefined key aesthetic concerns of their era including autonomy medium specificity and originality Delving into the archive where the traces of motherhood have not yet been erased from official history Troeller reveals Ruth Asawa s personal and professional dialogue with several other artist mothers including Merry Renk Imogen Cunningham and Sally Woodbridge For these women motherhood was not an essentialized identity but rather a means to reimagine the terms of artmaking outside of the patriarchal policing of reproduction This project unfolded in three broad areas which also structure the book s chapters domesticity and decoration metaphors for creativity and maternal labor in the public sphere especially in the public schools Drawing on queer theory and feminist writings Troeller argues that in belatedly accounting for the figure of the artist mother art history must reckon with an emergent paradigm of artmaking one predicated on reciprocity caretaking and futurity
