**Forthcoming Books** Rose Arny,1997 Everything You Want to Know about Jesus Peter Douglas Downey,Ben James Shaw,2009-05-26 Jesus is the most influential person who ever lived But for many of us he has ceased to be a real person We ve sanitised him with pious jargon framed him in stained glass and reduced him to a religious puppet who floats through biblical landscapes dispensing Christian cliches and nice advice It s time for a fresh look at the man this book describes as a square peg in a society of round holes Whether you re new to Jesus or just want to rediscover him with fresh eyes this is the book for you No dry theological treatise it s written in an engaging sometimes even humorous style In short readable chapters you ll get a tour of important background info and fascinating history that will bring to life the era in which Jesus lived Then you ll read about his birth his adult ministry and teaching and the crucial last

week of his life on earth You ll catch a glimpse of the impact and excitement as news of Jesus spread around the world And finally you ll be inspired to think about what Jesus means for us today *The Cumulative Book Index* ,1998 A world list of books in the English language **Light of the World** Amy-Jill Levine,2019-09-03 In Light of the World A Beginner s Guide to Advent author professor and biblical scholar Amy Jill Levine explores the biblical texts surrounding the story of the birth of Jesus Join her as she traces the Christmas narrative through the stories of Zechariah and Elizabeth Mary the journey to Bethlehem and the visit from the Magi These stories open conversations around connections of the Gospel stories to the Old Testament the role of women in first century Jewish culture the importance of Mary s visitation and the revolutionary implications of Mary s Magnificat the census and the stable and the star of Bethlehem and the flight to Egypt The book provides a rich and challenging learning experience for small groups and individual readers alike As part of a larger four week study that is perfect for Advent it includes a DVD and a comprehensive leader guide [Incredible Shrinking Son of Man](#) Robert M. Price,2009-09-25 This book should be mandatory reading for all scholars concerned with Christian origins nothing of comparable importance has been written for at least a decade Freethinker For more than a century scholars have been examining the Gospels and other traditions about the life of Jesus to determine their historical accuracy Although the results of these scholarly efforts are sometimes controversial the consensus among researchers today is that the four Evangelists accounts cannot be taken at face value In fact a team of more than 100 scholars called the Jesus Seminar has come to the conclusion that on average only about 18 percent of the four Gospels is historically accurate An active member of the Jesus Seminar Dr Robert M Price presents the fruits of this important historical research in this fascinating discussion of early Christianity As the title suggests Price is none too optimistic about the reliability of the Gospel tradition as a source of accurate historical information about the life of Jesus Indeed he feels that his colleagues in the Jesus Seminar are much too optimistic in their estimate of authentic material in the Gospels After an introduction to the historical critical method for nonspecialists and a critique of the methods used by the Jesus Seminar Price systematically discusses the narrative and teaching materials in the Gospel clearly presenting what is known and not known about all of the major episodes of Jesus life He also examines the parables for authenticity as well as Jesus teachings about the Kingdom of God repentance prayer possessions and poverty the Atonement and many other features of the Gospels Written for the general reading public in a lively and accessible style Dr Price s highly informative discussion will be of interest to anyone who has wondered about the origins of Christianity [Variety International Film Guide](#) ,2002 *The Company of Heaven* Catherine Fox,2023-05-18 2020 and sadly the Tales from Lindford came to an end but the pandemic did not and neither did the lives of our valiant Lindchester community Return to Lindchester once more with *The Company of Heaven* the fifth in the beloved series of novels from Catherine Fox Valiantly written in real time in the midst of the pandemic this entertaining book captures the difficulties of 2021 with heart humour and insight Perfect for Lindchester fans it s also the ideal novel for anyone seeking

**Cursed is the Peacemaker** John Boykin,2002 This book is the behind closed doors tale of how American diplomat Philip Habib worked out a peaceful end to the 1982 Israeli siege of Beirut Only now can this remarkable story be told For a generation it has remained secret locked away in the classified records and in the participants memories To piece it together John Boykin dug through thousands of pages of documents that he got declassified and conducted over 150 hours of interviews Israeli defense minister Ariel Sharon intended his invasion of Lebanon to be the masterstroke that would bring peace to the Middle East for decades Instead it defeated its own purposes soiled Israel s reputation and came to be widely considered Israel s Vietnam This is a story of conflict between allies on the national scale between the US and Israel during some of the darkest days of their relations on the personal scale between Philip Habib and Ariel Sharon But at heart it is the story of an extraordinary man wrestling with an extraordinary crisis His story has never before been told Book jacket
