*Tiny Treasury of African Proverbs* Ariel Books,1998-05-01 Short and to the point the words of wisdom within this Tiny Tome will provide readers with quick doses of strength perseverance and knowledge Introduced in the fall of 1996 Tiny Tomes two inches by two inches pack a big punch Now the newest line of these clever fun and catchy gift books offers a little something for everyone

*The Apapa Six: West Africa from a 60S Perspective* John Berryman,2021-03-25 Here is a juxtaposition of the personal and inter communal dynamics focussed on the West African experience during the pivotal decade of the 1960s when National Independence demanded a reflexion on the definition of the new states and how external factors have borne heavily upon their past present and future The author blends his experience of study and travel in the region acknowledging his debt to the pioneering spirit of the School of Oriental and African Studies who facilitated the enterprise with an analysis of the challenges the new entities have faced and how they have fared nationally and globally in the light of Slavery Colonialism and Black Lives Matter

*The Mindful Caregiver, 2nd edition* Nancy L. Kriseman,2025-09-18 Caregivers will learn how to nurture resilience so that they can cope more effectively both emotionally and spiritually Armed with this information the hope is that caregivers can become mindful caregivers and feel more empowered supported and equipped to be the best caregiver they can be

*The Mindful Caregiver* Nancy L. Kriseman,2014-02-27 Caregiving can be enormously challenging terrifically rewarding and potentially draining Caregivers often wonder how they will navigate the tumultuous waters of caregiving and not lose themselves completely The Mindful Caregiver highlights two major approaches to help transform the journey adopting a practice of mindfulness which helps caregivers become more self aware and fully present with the person with whom they are caring and honoring the spirit side of caregiving which offers new ways of connecting to one another These approaches take into account not just the needs of the care recipient but also the needs of the caregiver and other people in his her life Remembering to care for oneself when someone else is in great need can be difficult but with the suggestions and tips in this book any caregiver can cultivate routines and practices that benefit everyone Solutions that caregivers can use in their day to day routines are provided so caregivers who use them can feel more empowered and hopeful Using real stories throughout Nancy Kriseman offers self care exercises and addresses a wide variety of subjects such as setting realistic expectations making the best possible decisions advocating effectively and evaluating available resources and services The Mindful Caregiver provides inspiration encouragement and guidance for finding ease in the caregiving journey By emphasizing both mindfulness and the spiritual dimension caregivers can reap the gifts of caregiving appreciate the special moments and find strength during the challenging times
