Viv Graham Final Chapter:

Legends Charles Bronson, Stephen Richards, 2003 Charles Bronson classified as the most dangerous prisoner in the UK penal system reveals who's who in this A-Z guide of the underworld and beyond It contains many characters with unusual names who influenced Bronson's life and leave little to the imagination The Wizard Semtex Man and Pie Man [Silent Scream](#) Charles Bronson, Stephen Richards, 2003 He's taken more hostages inside of prison than any UK prisoner He holds awards for his art and writing He's had more prison rooftop protests than anyone alive or dead He's the UK's most feared yet most misunderstood prisoner In Bronson's own words find out what makes him tick and explode [Born to Fight - The True Story of Richy 'Crazy Horse' Horsley](#) Richy Horsley, 2008-06-02 I took some good shots from him and then I opened up my arsenal and we traded toe to toe I had a burning desire in me to win and started to get him on the back foot when I put him down with my right hand He got up and took the count and the ref waved us to continue I went after him like a predator and was all over him lefts and rights smashing into his head The crowd loved it To the unsuspecting Richy Horsley could just be an unassuming thirty something character Yet in reality Crazy Horse as he is better known is part of the underbelly of the hardman scene Boxer street fighter and bouncer there are few men tougher So tough is he that he has even accepted a challenge from Britain's most dangerous prisoner Charles Bronson to be his first boxing opponent on Bronson's eventual release Richy did not become one of the staunchest fighters in the land without his fair share of turmoil Having lost his father at an early age he channelled his anger through his fists as he became embroiled in run ins with the law It was boxing that saw him turn his rage into something more positive and his anger was used on his opponents in the ring A true warrior in heart and mind Richy's name is one to be feared and respected His story shows that even in the face of overwhelming odds it is possible to become a real champion **Drug War** Peter Walsh, 2018-11-28 Drug War is a landmark modern history the first ever full account of the United Kingdom's fight against the illegal importation of drugs Packed with remarkable revelations and thrilling anecdotes it tells for the first time the story of the high level traffickers who drugged Britain and the secretive organisation that tried to stop them the Investigation Division of HM Customs and Excise The ID's elite officers waged a fifty year battle to stem the tide of cannabis cocaine and heroin arriving by land air and sea and to track arrest and prosecute the smuggling gangs both organised and chaotic who turned an amateur pastime into a multi billion pound trade The result of more than 100 unique interviews many with insiders who have never spoken publicly it is a ground breaking account of one of the most vital subjects of our times It begins with the UN Single Convention of 1961 intended to enshrine a worldwide ban on narcotics Yet within five years the UK was on the cusp of a narco boom driven by immigrants from its former colonies and by the eruption of the youth counterculture The insidious effect was to corrupt key areas of British life including airport baggage and freight handlers at Heathrow Airport dockers at the major ports and even the Drug Squad at New Scotland Yard Drug War chronicles the first major barons including the brilliant laser scientist Dr Gurdev Singh Sangha

the rise of hippie traffickers such as the legendary Howard Marks and the violent gangland syndicates that ultimately brushed them aside the ongoing rivalry between police and Customs and how this often blighted the law enforcement response the emergence of London's first heroin godfather Gigi Bekir and how the Turkish state was complicit in flooding the country with smack the heavyweight untouchables who eventually streamlined the drug business and the extraordinary covert methods employed against them and how secret liaison with British and American spy agencies led to the biggest cocaine seizures ever the motherships of the Colombian cartels Concluding with the series of mishaps and scandals that ushered in the Serious Organised Crime Agency Drug War is a ground breaking account packed with unique revelations personal testimony and fresh analysis

Fog on the Tyne Bernard O'Mahoney, 2011-05-05 For more than fifty years two ruthless gangs have dominated the Tyneside underworld Initially the Conroy and the Sayers families lived side by side in relative harmony in the West End of Newcastle but the birth of the drug fuelled rave culture in the late 1980s changed everything Drunk on power and with an intense desire to take complete control of the north east the families went to war with one another and with anyone else who stood in their way What followed was an orgy of mindless violence In *Fog on the Tyne* bestselling true crime author Bernard O Mahoney explores the origins of this gangland war and reveals for the first time how and why it spiralled out of control leaving many injured and others dead

Graham Greene Peter Wolfe, 1972 Until 1970 Graham Greene made a sharp distinction between his novels and his lighter fiction which he called entertainments The use of the two categories seems to indicate that the latter books are trivial and inferior yet Peter Wolfe shows that the entertainments are more than escape fiction they are rather an almost distinct new genre Wolfe focuses on seven books from *Orient Express* 1932 to *Our Man in Havana* 1958 showing recurring themes as well as the evolution of the entertainment form Graham Greene enthusiasts will find this new book particularly valuable for its long and careful look at the less discussed works while readers of thrillers will appreciate Wolfe's analysis of them as a literary genre
