Wallaceto Catch A Forger:

To Catch a Forger Robert Wallace,1999 With a failed relationship behind him and no career to speak of Essington Holt is only too happy to answer his rich aunts summons and leave Sydney for the south of France A man not normally given to bouts of violence Holt find himself mixed up in the complex world of forgery and deception where brute force and nerves of steel are the only things that will help him **Bookbuyers' Reference Book** ,1993 The Forger Edgar Wallace,2023-01-01 Someone is losing money Fast And when forged notes start to appear Peter Clifton s hefty riches are called into question Even his new wife Jane Leith can t help but doubt the man s bottomless wealth But when two inspectors clandestinely enter her room one night searching for clues there s no telling how a quick witted clever and tactful woman might react Packed with suspense and thrills Edgar Wallace s *The Forger* is ideal for fans of *Inside Man* and *Now You See Me* Edgar Wallace 1875 1932 was an English writer so prolific that his publisher claimed that he was responsible for a quarter of all books sold in England An author journalist and poet Wallace wrote countless novels short stories screen plays stage plays along with historical non fiction His work has been adapted into more than 160 films In 1932 Wallace died suddenly in Hollywood during the initial drafting of his most famous work *King Kong* **Whitaker's Book List** ,1989 *The Bulletin* ,2003 *Australian Books in Print* ,1992 **Australian Crime Fiction** John Loder,1994 This bibliography lists more than 2000 titles by some 500 Australian authors during the period 1857 1993 Covers detective fiction mystery stories works on gangs and pushes spies enemy agents bushrangers and convicts Also contains the first detailed listing of Australian pulps and ephemerals Includes title index illustrators index and investigators and criminals index Olderr's Fiction Index ,1989 **Australian national bibliography** ,1961 *Murder...By Category* Tasha Mackler,1991-11 For the first time here is an annotated bibliography of murder mysteries that is organized by the category of the mystery and lists only contemporary publications including an extensive listing of titles that are paperback originals Categories range from *Academic Getting Away with Murder* and *Old Crimes and Murders to Writers and Their Conventions* Because an interesting annotation should be available for reading contemporary publications were chosen With the exception of a few favorites each entry was in print in either a paperback or a hardcover edition in 1985 and listings continue through late 1991 *Murder By Category* is the companion to take for library and bookstore browsing *The Forger* Edgar Wallace,2020-03-10 The big consulting room at 903 Harley Street differed as much from its kind as Mr Cheyne Wells differed from the average consultant It was something between a drawing room and the kind of a library which a lover of good books gathers together piecemeal as opportunity presents There was comfort in the worn but not too worn furniture in the deep leather covered settee drawn up before the red fire Two walls were filled with shelves wedged with oddly bound oddly sized volumes there were books on the table a newspaper dropped by a careless hand on the floor but nothing of the apparatus of medicine not so much as a microscope or test tube In one corner of the room near the window where yellow sunlight was pouring in was a polished door beyond that a

white tiled bathroom without a bath but with many glass shelves and glass topped table You could have your fill of queer mechanisms there and your nostrils offended by pungent antiseptics There were cupboards carefully locked with rows and rows of bottles and steel and glass cabinets full of little culture dishes But though Peter Clifton had been a constant visitor for years he had never seen that door opened **Jim Kobak's Kirkus Reviews** ,1990 Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1909 **Kirkus Reviews** ,1990 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical **The Armchair Detective** ,1990 The Oxford Companion to Australian Literature William Henry Wilde,Joy W. Hooton,B. G. Andrews,1994 Unique in its field exhaustive in scope the Oxford Companion to Australian Literature offers a comprehensive account of Australian writing from European settlement in 1788 to the 1990s It presents the most important achievements in the fields of fiction poetry and drama and also covers non fictional prose in journals diaries biographies and autobiographies and the impact of key historical events on Australian literature Fully revised and updated the second edition contains 500 new entries bringing the total to 3050 reflects the greater influence and volume of women s and multicultural writing and includes major new articles on crime fiction and the immigrant experience Written in clear and accessible language this major reference belongs on the shelf of every library and every lover of world literature **The Subject is Murder** Albert J.
