## Walter Pater:

*Rereading Walter Pater* William Shuter, 1997-01-09 Shuter first offers a conventional account of the texts in the order in which they were written paying close attention to the changes in Pater's thought and interests over time he then returns to the earlier texts showing how the later work serves paradoxically as an introduction to the earlier Drawing extensively on unpublished manuscript material Shuter reveals that Pater himself authorized rereadings of his work in an effort to rewrite his own literary past and the past of his culture

**Walter Pater. [Mit Portr.] (1. Print.)** Gerald Monsman, 1977 There have been no biographies of Pater in English except for a rather slight commemorative outline by Arthur Symons since the brief or inaccurate tributes and studies before World War I and the time has come for a full length study to combine such facts of Pater's life as can be established with a careful analysis of his art Centering on the Aesthetic hero this study attempts to present Pater's fiction and biography as lucidly as possible so that the general reader the undergraduate and the fledgling graduate student will benefit from its critical reading as much as the Victorian specialist Since the scope of a few hundred pages limits consideration to the more significant writings this study has been weighted in the direction of Pater's completed imaginative work utilizing his reviews lectures critical appreciations and unfinished fiction and other fragments only when the occasion warrants And finally inasmuch as any new line of critical inquiry that also aspires to be a broad based reassessment of Pater's theory of culture must build upon a core of established insights I have not hesitated when appropriate both to incorporate my previously published readings or to draw on the excellent recent work of Lawrence Evans Harold Bloom J Hillis Miller Ian Fletcher and a number of others who have enriched my understanding of the subject author's preface

**Selected Essays** Walter Pater, 2018 Famed for his singular prose style as much as for his controversial aestheticist principles Walter Pater 1839 1894 was one of the great essayists in a century of great essayistic writing His first book *Studies in the History of the Renaissance* one of the most original and influential texts of the Victorian Aesthetic Movement was described by Arthur Symons as the most beautiful book of prose in our literature and his later work moved Vernon Lee to call him the natural exponent of the highest aesthetic doctrine *Selected Essays* is a generous gathering of Pater's essays on literature art history philosophy and mythology all of them in the words of Oscar Wilde delicately wrought works of art The selection is accompanied by Alex Wong's critical and biographical introduction and rich explanatory notes

*The Works of Walter Pater: Volume 2, Marius the Epicurean: his Sensations and Ideas. Vol. 1* Walter Pater, 2012-10-05 Walter Pater 1839 94 was the foremost Victorian writer

on art and on aesthetic experience He brought his extensive knowledge of the history of art to bear on the new problem of how to explain the very personal affective response to beauty and raised this into a central concern of aesthetic and philosophical thought His ideas still shape modern assumptions about how art plays on our feelings and intellectual responses This edition of Pater s complete works was published in 1900 1 in a limited edition of 775 copies It comprises eight volumes with an additional volume of critical essays first published in The Guardian This is the first of two volumes of Marius the Epicurean 1885 Pater s only full length fiction A novel of ideas combining history and philosophy with a fictional narrative set in the late Roman Empire the work is a fascinating experiment in the boundaries of genre The Life of Walter Pater Thomas Wright,1907 **Walter Pater** Denis Donoghue,2013-05-08 A TWENTIETH CENTURY intellectual of the first rank presents the case for the nineteenth century aesthete whose elegant subversions delivered us to modernism Walter Pater 1839 1894 was an obscure Oxford don until 1873 when his first book The Renaissance exposed his argument favoring sensation over thought and in doing so ignited a hard gem like flame Say not what it is but what it makes you see or feel is not something Pater ever said but it will suffice as an encapsulation of an attitude that moved the authority of a work of art from the object to the subject subsequently outraging the defenders of perceived truth of his time and making Pater himself a figure of controversy and even ridicule Substituting sensationalism for sensation and reading Pater s claim for hedonism or pleasures the soul might savor as outright decadence Pater s detractors far outnumbered and outranked his followers including his fellow Oxonian and most notorious devotee Oscar Wilde But ever since Pater has proved at least in the high arts the decisive victor of the revolutions he set into motion Denis Donoghue presents what will stand as the premier inquiry into Walter Pater s life and ideas a work of compelling erudition unrivaled in intuitive and intellectual force revealing with eloquence charm and abundant yet measured discourse Pater s centrality to the entire modernist movement Pater is audible Donoghue writes in virtually every attentive modern writer in Hopkins Wilde James Yeats Pound Ford Woolf Joyce Eliot Aiken Hart Crane Fitzgerald Forster Borges Stevens Walter Pater Lover of Strange Souls is both an education and an inspiration for anyone at all concerned with the changing character of latter day Western culture Here without question is a classic a critical biography that lays open the very making of the culture that both assails and sustains us **Walter Pater (Classic Reprint)** Ferris Greenslet,2015-07-26 Excerpt from Walter Pater Originally published eight years ago as the initial volume in the Contemporary Men of Letters Series this little book had the luck to be the first biographical study of Walter Pater There have been other Lives since then Mr Benson s competent and perceptive book and Mr Thomas Wrights bi voluminous performance Both of these writers have enjoyed special opportunities for acquaintance with the details of Pater s life to which the present writer could lay no claim and they have turned them the one to very good and the other to very bad account About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art
