Wanting More:

Wanting More of God: How to Attain to the Fullness of Christ Mark Gilpin, Fiona Gilpin, 2025-11-03 The heart cry of many Christians today is that they want more of God. Maybe that is you. Anything is possible with God and he works through imperfect people yet why is it we do not always see the more of God that we desire? Is it because we have clutter in our lives leaving little space for God? In seeking more of God have we missed him by not looking in all the right places? More of God is within our grasp what can we learn from Jesus's example? If you are looking to recalibrate your understanding of discipleship if you are longing to know and truly experience more of God and who you are in Him if you want to understand a fruitful life from Heaven's perspective this book is for you. It doesn't just offer excellent information it provides a roadmap for you to experience a transformation. Janice Pleasants Leads the Eastgate Online School of Spiritual Life. Do not be misled by thinking this is just another Christian self-help guide. Rather it is a rich and reasoned journey into the heart of God. Skillfully laid out by those whose lives bear witness of the More available to us all. Mark and Fiona's walk qualifies their talk and is what gives this work substance. Mark Hendley D.D. h.c. and Director of The Stones Cry Out. This inspiring book combines excellent insights from Scripture with brilliant engagement of today's Western culture on how to be filled with God's glory and pass it on to others. It's a must-read for the thirsty. Derrick Burns Author, Speaker and Founder of Ministry School International.

Want More: A True Story of How Wanting Reveals a Way Schlitta Archibald-Patton, 2019-09-23 Want More tells the Schlitta Archibald Patton's story of pushing through fear to achieve goals that were once only dreams. I Want More Gilberto Rodriguez, 2015-09-10 Talking with God is much more than an exchanging of words. There is a dangerous threat in a Christian and it needs to be removed: not knowing how to pray and not knowing the benefits of a life of prayer. There is a saying: A Christian who does not pray is a defeated one. The power of God is released through fasting and prayer. What is prayer? What can I expect when I pray? What am I missing when I don't pray correctly? I have never met a Christian who wants to live a life of defeat but I have known many who do not know if they are praying correctly. In Luke 11:1 one of the disciples saw Jesus finish praying hours and heal and perform miracles in seconds. This book is written for the purpose of awakening in every person the desire to enter the secret place and pray more. It is designed to make you addicted to prayer. I will share secrets that the Holy Spirit revealed to me concerning a lifestyle of prayer. Did you know that when you enter the secret place and create a real lifestyle of prayer you will become impregnated by God? Get ready to become one who will say I want more.

Foreverland Heather Havrilesky,2022-02-08 One of the first honest moving and funny portrayals of a solid marriage I have ever read Jessica Grose The New York Times A Best Book of 2022 from The New Yorker and Chicago Tribune An illuminating poignant and savagely funny examination of modern marriage from Ask Polly advice columnist Heather Havrilesky If falling in love is the peak of human experience then marriage is the slow descent down that mountain on a trail built from conflict compromise and nagging doubts Considering the limited economic advantages to marriage the deluge of other mate options a swipe away and the fact that almost half of all marriages in the United States end in divorce anyway why do so many of us still chain ourselves to one human being for life In Foreverland Heather Havrilesky illustrates the delights aggravations and sublime calamities of her marriage over the span of fifteen years charting an unpredictable course from meeting her one true love to slowly learning just how much energy is required to keep that love aflame This refreshingly honest portrait of a marriage reveals that our relationships are not simply happy or unhappy but something much murkier at once unsavory taxing and deeply satisfying With tales of fumbled proposals harrowing suburban migrations external temptations and the bewildering insults of growing older Foreverland is a work of rare candor and insight Havrilesky traces a path from daydreaming about forever for the first time to understanding what a tedious glorious drag forever can be
