

THE 5 STAGES OF THE SOCRATIC DIALOG

1. WONDER

Receive what the other person has to say, listen to their view or premise.

2. REFLECT

Sum up the person's viewpoint and clarify your understanding of what you have heard.

3. REFINE AND CROSS-EXAMINE

Ask the person to provide evidence that supports their view. Discover the thoughts, assumptions and facts underlying their beliefs. Challenge these assumptions to test their validity.

4. RESTATE

Note the new assumption resulting from the inquiry.

5. REPEAT

Start back at the beginning with the new assumptions. This process helps drill down to the core issues to arrive at the best version of whatever you're looking for.

Power, Legal Education, and Law School Cultures Meera Deo, Mindie Lazarus-Black, Elizabeth Mertz, 2019-10-10 There is a myth that lingers around legal education in many democracies That myth would have us believe that law students are admitted and then succeed based on raw merit and that law schools are neutral settings in which professors also selected and promoted based on merit use their expertise to train those students to become lawyers Based on original empirical research this book investigates this myth from myriad perspectives diverse settings and in different nations revealing that hierarchies of power and cultural norms shape and maintain inequities in legal education Embedded within law school cultures are assumptions that also stymie efforts at reform The book examines hidden pedagogical messages showing how presumptions about theory's relation to practice are refracted through the obfuscating lens of curricula The contributors also tackle questions of class and market as they affect law training Finally this collection examines how structural barriers replicate injustice even within institutions representing themselves as democratic and open revealing common dynamics across cultural and institutional forms The chapters speak to similar issues and to one another about the influence of context images of law and lawyers the political economy of legal education and the agency of students and faculty
