## **Soho Leopard:**

**The Soho Leopard** Ruth Padel, 2011-06-08 Beautiful disturbing and a pleasure to read Ruth Padel's new poems are her most ambitious yet adding animal legend and zoological science to her glitteringly imaginative canvas. With her gift for bringing together experiences and tones of voice that normally stay far apart she sweeps us from Dulwich Pizza Hut to ancient Siberia King's Cross to nineteenth century Burma. We meet Socrates urban foxes Louisiana alligators and the endangered Amur leopard in poems resonating with sensuous delight in nature but also with history and loss. Finally a Chinese painter searches for tigers in a forest doomed to the sawmill while the minister who sold it scoffs an aphrodisiac bowl of tiger penis soup. Hallucinatory and lyrical passionately musical seething with life. The Soho Leopard explores our human need for wildness and also for stories wherever we find them. A wonderfully ferocious new collection from one of our most exciting poets.

**Darwin** Ruth Padel, 2009 In this book the author has written a biography of her great great grandfather in a series of poems.

*Beyond the Lyric* Fiona Sampson, 2012-09-06 British poetry is enjoying a period of exceptional richness and variety. This is exciting but it's also confusing and throws up the need for an enthusiastic guide that can explain and celebrate the many parallel poetry projects now underway. *Beyond the Lyric* does just that. This is a book of enthusiasms, an intelligent and witty map of contemporary British poetry and a radical accessible guide to living British poets grouped for the first time according to the kind of poetry they write. In a series of groundbreaking new classifications beginning with the bread and butter diction of the Plain Dealers and ending on the capacious generosity of the Exploded Lyric it examines the broad range of contemporary tendencies from the baroque swagger of the Dandies to the restrained elegance of the Oxford Elegists from the layered haunting verse of Mythopoesis to the inventive explorations of the New Formalists. By probing the cultural context from which these groups emerge and shifting the critical focus back to the work itself Sampson's astute analysis illuminates and demystifies each of these terms and asks the big questions about what makes a poem. The result is a celebration of poetry as a connected responsive and above all communitarian form. Lively engaging and inviting this is the indispensable and authoritative guide for anyone who's ever wondered what's going on in British poetry today.
