thunderstorms meant air support was stalled A daring helicopter resupply mission was suggested but who would want to fly that The odds against this small force were monumental By far the deadliest battle for Australian forces in Vietnam the Battle of Long Tan has a proud place in the annals of Australian military history and every ANZAC who fought there could hold his head high Peter FitzSimons Australia s greatest storyteller tells the real story of this classic battle He reveals the horror the bravery the wins and the losses that faced our soldiers He brings to life the personal stories of the men who fought the events leading up to that memorable battle and the long war that followed and the political decisions made in the halls of power that sealed their fates The Battle of Long Tan is an engrossing and powerful history that shows the costs of war never end
