Teaching The Epic

Barbara Weiden Boyd, Cora Fox

Teaching The Epic:

Teaching World Epics Jo Ann Cavallo, 2023-07-27 Cultures across the globe have embraced epic stories of memorable deeds by heroic characters whose actions have significant consequences for their lives and their communities. Incorporating narrative elements also found in sacred history, chronicle, saga, legend, romance, myth, folklore, and the novel, epics throughout history have both animated the imagination and encouraged reflection on what it means to be human. *Teaching World Epics* addresses ancient and more recent epic works from Africa, Europe, Mesoamerica, and East Central and South Asia that are available in English translations. Useful to instructors of literature, peace and conflict studies, transnational studies, women's studies, and religious studies, the essays in this volume focus on epics in sociopolitical and cultural contexts, on the adaptation and reception of epic works, and on themes that are especially relevant today, such as gender dynamics and politics, national identity, colonialism, and imperialism, violence, and war. This volume includes discussion of Ludovico Ariosto's *Orlando Furioso*, Giulia Bigolina's *Urania*, the *Book of Dede Korkut*, Lu's *Vaz de Camões*, David of Sassoun's *The Epic of Askia Mohammed*, the *Epic of Gilgamesh*, the *epic of Sunjata*, Alonso de Ercilla's *La Araucana*, Homer's *Iliad* and *Odyssey*, Kalevala, Kebra Nagast, *Kudrun*, the *Legend of Pöväa*, the *Nadu*, the *Mahabharata*, *Manas*, John Milton's *Paradise Lost*, *Mwindo*, the *Nibelungenlied*, *Poema de mio Cid*, *Popol Wuj*, the *Ramayana*, the *Shahnameh*, *Sirat Bani Hilal*, Edmund Spenser's *The Faerie Queene*, Statius's *Thebaid*, *The Tale of the Heike*, *Three Kingdoms*, Gaspar Pérez de Villagrá's *Historia de la Nueva México*, and Virgil's *Aeneid*. *Teaching the Epic Through The Odyssey* Maria Foseid, Diane E. Paynter, Robert J. Marzano, 1993

Reading Epic Peter Toohey, 2003-09-02 Readers new to ancient epic are hampered in two ways: they do not know the ancient languages, and they are unfamiliar with the ancient world. This survey addresses the needs of these readers by offering guidance through the major classical writers of epic; it begins with Homer and concludes with an overview of the development of late ancient epic and of the interface between the epic and the novel. The Teaching of English Literature in Secondary Schools Robert Shelton Bate, 1913 **The Teaching of English in the High School** Clarence Stratton, 1923

Teaching Literature in the Grammar Grades and High School Emma Miller Bolenius, 1915 **Approaches to Teaching the Works of Ovid and the Ovidian Tradition** Barbara Weiden Boyd, Cora Fox, 2010-09 Ovid and his influence are studied in classrooms as various as his poetry, and this *Approaches* volume aims to help instructors in those diverse teaching environments. Part 1, *Materials*, is fittingly collaborative and features brief overviews designed to give nonspecialists background on the more challenging aspects of teaching Ovid. Contributors examine his life and legacy, religion, and relation to the visual arts, as well as his afterlife in the Latin classroom in various translations and in the *Ovide moralis*. The editors detail the contexts in which Ovid is taught, identify trends in teaching his work, and the Ovidian tradition, and recommend editions and resources for classroom use. The introduction to part 2, *Approaches*, considers Ovid's relation to Vergil and the development of Ovid's influence and reception from the medieval and early modern period to the reinvigoration of Ovid.

studies in the twentieth century In the four sections that follow contributors provide practical ideas for classroom instruction examine the political and moral discourses shaping Ovid and his legacy explore how gender and the body are represented in Ovid and the Ovidian tradition and look at various ways Ovid's works have been used and transformed by writers as diverse as Dante Cervantes and Ransmayr **Manual to Readings in Literature** Ernest Hanes, Martha Jane McCoy, 1925

Self-Care and Stress Management for Academic Well-Being Clarke, Karis L., 2022-06-24 Self care is a topic that is often challenging in education Educators are required to learn to teach advise and cope with organizational change as well as encourage their students to take responsibility for their actions say no identify burnout establish a network of family and friends schedule breaks do things they enjoy and take care of themselves physically However teachers often do not follow these guidelines themselves It is important that teachers allow themselves the time and space to do the same things that they insist their students do Moreover it is important that administrators recognize and support these efforts as well Self Care and Stress Management for Academic Well Being discusses why self care for educators is needed in order for them to sustain the growth of the students at their institutions It explores the ways in which educators devote themselves to helping students develop their creativity and their academic voices but do not always give themselves the same permission Covering a range of topics such as physical care stress and self advocacy this reference work is ideal for researchers academicians practitioners scholars administrators instructors and students **The Training of Teachers and Methods of Instruction**

Simon Somerville Laurie, 1901 *Teaching*, 1921 [Collaborating for Transformative Change in Education](#) Elina Lampert-Shepel, Aaron Zimmerman, 2024-07-19 This book collates the practitioner stories of university school partnerships for the renewal of educator preparation US PREP teacher preparation programs across the nation documenting the programs efforts to enact scaled transformative practices within their institutions Examples include the way in which educators engage multiple stakeholders in program improvement transform the clinical preparation of teacher candidates develop measures of program success and create the conditions for transformative change Each chapter highlights the efforts of one or more of US PREP's 32 university based teacher preparation coalition programs Together the chapters offer insight into how a national coalition can effectively support transformation at the local level while creating opportunities for multilayered collaboration within and across institutions Contributors include teacher educators and educational leaders and topics of chapters include using data for program decision making applying a change management model establishing governance over school university partnerships developing a vision of teaching shared between universities and school districts promoting diversity equity and inclusion and improving teacher and teacher educator professional development Chapters also present solutions for some of the most prominent challenges in teacher education program improvement including faculty engagement stakeholder collaboration university policy alignment and state and national accreditation Designed as a textbook this book provides a series of guiding questions after each chapter to promote further reflection and discussion

Ideal for teacher educators educational leaders school practitioners and graduate students of education this book offers insider information that can help these stakeholders to better facilitate collaboration and participation in the improvement scale and sustainability of clinically rich and culturally diverse teacher preparation
