## **Understanding The Gospels:**

Understanding the Gospels Vicente Balaguer,2010-01-01 The last two hundred years show the emergence of an enormous growth industry in the field of Biblical analysis particularly on the evidence presented in the Gospel accounts of the life of Jesus Christ But most often the exhaustive analysis brought to bear on the Gospels is dominated by a biased point of view against their authenticity Authors who have taken the position of liberal criticism claim that the Gospels do not show the true Jesus but one who has been idealized and mythologized by his followers Written by faculty from the University of Navarre this book takes the approach of a careful study of the texts and their surrounding circumstances to show that the Gospels are both a reflection of the Apostles preaching about Jesus as well as trustworthy historical testimonies to his life and work

*Understanding the Gospels* Herbert W. Bateman,Benjamin I. Simpson,2017 *Understanding the Gospels*first introduces the Gospels generally and then prepares readers to communicate their message to a modern audience Each of the fourteen contributors is a seminary professor and expert on the topic covered This book focuses on preaching and application and answers pointed questions to help students and pastors understand the major theological themes of each gospel and avoid common interpretive mistakes Anyone serving in a teaching or preaching capacity will find this book helpful for accurate proclamation and powerful application of the Gospels

**Reading and Understanding the Gospels** Thomas B. Lane,2011 *Reading and Understanding the Gospels* Who Jesus Is What He Teaches and the Beginning of Christianity This is the second volume of a three volume series written for anyone who is interested in acquiring basic knowledge and understanding of the Bible the book that is the foundation of Western and Middle Eastern civilizations The first volume is titled *Reading and Understanding the Old Testament The Foundation of Judaism Christianity and Islam* The last volume will be *Reading and Understanding the Acts of the Apostles the New Testament Letters and the Beginning of the Church* This second volume like the others uses scholarship in a practical manner moving chapter by chapter through each Gospel using the actual verses as it explains clearly their basic meaning for people in ancient time and our time today The readers will experience and get a complete sense of the content and meaning of Matthew Mark Luke and John the Gospels that Christians call inspired writings Like the first volume on the Old Testament the author integrates the historical and the literary with the theological in order to highlight the meaning of each Gospel Once again the author has taken a difficult subject made it easy reading and filled it with challenging insights This book is strongly recommended not just for Christians but for those who are interested in knowing what the first Christians said about Jesus what he taught and how Christianity began

Understanding The Gospels John Kenny,2025-06-27 As Jesus Christ is above every other man so the Bible is above every other book Charles Dickens said The New Testament is the very best book that ever was written or ever will be known in the world Its immense universal and lasting popularity is because of its power to change people s lives Hundreds of millions of people can testify to how the Bible has changed their lives Without the Gospels the rest of the New Testament would be like a

lock without a key a building without a foundation an end without a beginning As the Gospels came out of the Old Testament so the Epistles came out of the Gospels In this book I give a brief biography of the four Gospel writers Matthew Mark Luke and John as well as some key characters such as Peter and John the Baptist Although these men shone as stars in a dark world they all faded away when the Sun of Righteousness Jesus Christ came We will look at the amazing life of Jesus Christ his teaching miracles death burial resurrection and ascension to heaven We will also look at the background and setting in which he lived and the significance of some of the events that were foretold hundreds and thousands of years before his birth in Bethlehem
