Understanding The Teaching Of Jesus:

What Did Jesus Teach? James Wiggins, 2010 Parables are the main method Jesus used to convey deep spiritual truths to His listeners then and His readers today The question is do we really understand what He meant Have you ever read through some of the stories Jesus told and thought What does that mean Have you ever wished you could understand the symbolism Jesus used or know what the real message was of Jesus lessons What Did Jesus Teach can help you understand these questions and many more Prepare to use this as an aid to your Bible study and to gain additional insight into Jesus parables It can help you come to a deeper understanding of what Jesus wanted you to know and how to apply it to your everyday life

Understanding the Teaching of Jesus David Abernathy, Norman Perrin, 1983 **Love Is His Meaning** Keith Ward, 2017-07-20 Jesus teaching has changed the world Yet his sayings can often seem cryptic and hard to understand In **Love Is His Meaning** Keith Ward explores the various figures of speech and images that Jesus used and finds they are all ways of expressing and evoking the self giving love of God manifested supremely in Jesus life They communicate spiritual truths often not in a literal but in a poetic way They encourage us to take our own moral decisions with sensitivity and care for others They show that God's love will never abandon anyone and that it extends to everyone in the world without exception And they promise a fulfilment of our hopes for a just and peaceable world that surpasses anything we might describe or imagine Putting aside literalist authoritarian legalistic judgemental and divisive presentations of Jesus teachings the author shows that what remains is the gospel of a divine love a love stronger than death and the only power that can and will redeem our disordered world **The Life and Teaching of Jesus** Charles Foster Kent, 1913 *The Unexpected*

Teachings of Jesus John Coleman, 2002-01-14 *The Unexpected Teachings of Jesus* presents the Gospels not as simplistic solutions to everyday problems but as a collection of sacred stories that are challenging and can teach us all how to live in today's world Filled with wise wonderful and sometimes quirky stories from John Coleman's own life and experiences as a father teacher and minister the book delves into the Gospels to uncover the essence of what it means to believe in and follow the radical compassionate generous love of Jesus Reading this collection of reflections is like putting on a new pair of glasses It offers all Christians a new way of knowing Jesus words and shows us teachings are sometimes the opposite of what we thought we understood The Gospel According To Matthew Leon Morris, 2020-05-21 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church A perceptive introduction precedes Morris's warmhearted verse

by verse exposition of Matthew an exposition based on his own literal translation of the text Now a standard reference work on the Gospel of Matthew this mature evangelically oriented commentary will continue to meet the needs of students pastor and general readers alike Acts (Understanding the Bible Commentary Series) David J. Williams,2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series **The Parabolic Teaching of Christ** Alexander Balmain Bruce,1887 **Teaching the Faith** Donna Habenicht,Larry Dale Burton,2004

Teachings of Jesus Christ Repsaj Jasper,2011-06-24 This is perhaps the first book detailing the teachings of the Lord Jesus Christ on many key aspects of the gospel of salvation and the kingdom of the God which had have been concealed and not revealed as CORNERSTONE teachings of the gospel of salvation The greatest consequence of this is the total contamination of the gospel of salvation while the true gospel or treasure has been hidden for centuries The author has been disciplined and led to write this book in the face of the full contamination of the gospel of salvation and the kingdom of the God in order that believers may be revealed the true treasure so that they are able to understand the true gospel as taught by the Lord Jesus Christ the Saviour of the world when He was on the earth the first time Only when believers understand and obey the truth of the gospel will they be set free from slavery to the sin And only when those believers who are set free from slavery to the sin can they become sons of the God And only sons of the God can remain in the kingdom of the God forever meaning only sons of the God can receive everlasting life The Lord Jesus Christ is the Road and the Truth and the Life The Truth is the Word of the God And in the New Testament days the main truth is the gospel of salvation Therefore unless believers know meaning understand the truth concerning the gospel of salvation how can they obey the truth of the gospel to receive everlasting life And especially in the last days unless believers know the truth of the gospel how can they identify and reject false prophets false teachers and false preachers who spread false gospel to lead them astray into everlasting fire In view of the many different variations of translation and interpretation of the teachings of Paul Peter John and James regarding the gospel of salvation it is imperative for believers to know and understand the CORNERSTONE teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God There is a plethora of writings by Christian authors and theologians and teachers on the teachings of Paul on the gospel of salvation relating to the law and works and love and faith and obedience and perfection etc Many preachers and teachers of the Word of the God were are confused themselves over such important issues For believers to know the correct interpretation and translation of the teachings of the apostles and prophets on the gospel of salvation and the kingdom of the God believers must know and understand the teachings of the

Lord Jesus Christ on the gospel of salvation and the kingdom of the God The main topics taught by the Lord Jesus Christ as revealed in this Book are a Everlasting life b Righteous Righteousness c Kingdom of the heaven and kingdom of the God d Save Saved e Salvation f Resurrections g Live lived h Die or perish forever i Soul lose gain or save j Judgement based on works k The gospel of salvation Readers are urged to test the content in this Book against the Unadulterated Word of the God the original texts of the Holy Bible to prove and or to disprove its veracity *The Christian Science Journal* ,1927 **The Life and Times of Jesus the Messiah** Alfred Edersheim,1912 **What Jesus Taught** Osborne J. P. Widtsoe,2019-12-06 In What Jesus Taught Osborne J P Widtsoe intricately explores the teachings of Jesus Christ delving into the profound moral and ethical implications of His messages Written in a clear and accessible style this scholarly work contextualizes Jesus s parables and discourses within the socio political landscape of first century Judea Widtsoe employs a blend of historical exegesis and theological inquiry engaging readers with both the spiritual and practical aspects of Jesus s teachings while emphasizing their relevance across ages and cultures His comprehensive analysis serves as a bridge between ancient wisdom and contemporary moral dilemmas making it a vital contribution to religious literature Osborne J P Widtsoe an esteemed scholar and member of the Church of Jesus Christ of Latter day Saints was deeply influenced by his faith and commitment to education A prominent voice in early 20th century religious thought Widtsoe s extensive background in agriculture and science informed his approach to spirituality allowing him to marry intellectual rigor with profound sensitivity to religious matters His personal experiences and academic pursuits uniquely positioned him to address the complexities of Christian teachings in an ever changing world I highly recommend What Jesus Taught to anyone seeking a deeper understanding of Christian doctrine and its applications in modern life Whether you are a devout believer a scholar of religious studies or simply a curious reader Widtsoe s work offers valuable insights that challenge and inspire This book is essential for understanding Jesus s enduring influence on ethics and humanity **Learning and Teaching** Harold James Sheridan,Goodrich Cook White,1918 **Chinese Recorder and Missionary Journal** ,1921 [The Lookout for Christ and the Church](#) ,1903 **The Biblical World** William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1914 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352 **Following the Master** Michael J. Wilkins,2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master

compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers *The Radical Teaching of Jesus* Duncan S. Ferguson, 2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one's neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way Understanding Jesus' Teachings Don Wettlaufer, 2013-06-18 Take a 36 day journey through the teachings of Jesus to learn what Jesus actually said about being His follower In Understanding Jesus Teachings Don Wettlaufer shows you the wonders of heaven reveals God's blessings for being a follower of Jesus makes you aware of the enemy's attempts to turn you into a mediocre Christian teaches you how to hear God's will for your life invites you to walk in the power of the Holy Spirit shows you how to become fit for service in His kingdom and prepares you for the end times You will discover how to become a true follower of Jesus one whose life is surrendered detached from the pursuits of this life and fully available for service to Him
