Accepting the Gifts of Forgiveness Donna Ing, 2011-09-21 This book is about revealing to yourself your own power through forgiving the idea that anyone else in your life is stronger than you are What does acceptance of the gifts of forgiveness mean From love flows forgiveness In love forgiveness is received Who can this book help This book is for all who are seeking peace in times of crises Key points 1 Forgiveness means giving over not giving up 2 Forgiveness flows from the awareness of love 3 Find the love within self so that forgiveness comes naturally What are the gifts of forgiveness You will receive a sense of freedom a sense of personal awareness a sense of peace and personal power The power of peace is a part of the revelation that comes from forgiving all the limits that have kept you so occupied in the world that you couldn't understand who you are The gift is recognizing that you have a right to something better the right to be free and the right to

live comfortably without asking anyone else's permission Forgiveness brings about inner illumination enlightenment What is the process of forgiveness First recognize what is required to be forgiven and understand that you are required to forgive yourself as you forgive others Thinking I have nothing to forgive myself about is delusional and a denial of your greatest capabilities Second be willing to allow yourself to be all right even if you are wrong Forgiveness doesn't make you wrong but the ego makes you believe that if you forgive it is an admission of giving up Third feel the willingness to let the situation go Finally realize that you are a container for greater things than you have allowed Let yourself be filled up with a whole new viewpoint feeling about the person or situation and a whole new perspective of how it can work

Where'S God? Greg McCollam,2013-03-22 You want to move closer to God but you are intimidated by the bigness of the journey You think it takes a big commitment a big Bible a big church and big religious words so either you don't take the first step at all or you get stuck somewhere and never move forward This book is for you Each story offers inspiration to help you move closer to God through the small stuff in life a cup of coffee a grocery list or fast food French fries You may never look at a roller coaster the same way again These real life glimpses of God will surprise you with their simplicity and amaze you with their message

Walk with Me R.A. Naderman,2019-09-10 Walk with Me is a story about the transformative power of friendship In friendship we feel accepted valued and understood This is the story of two people from different walks of life who discovered they were more alike than different Ultimately they realize that it is the love of God that transforms us into being who we are created to be beacons of hope and love This story contemporary and compelling calls the reader to look introspectively into how daily decisions form our families and neighborhoods stretching to our global community Walk with Me probes the social questions of our time in how we view and sometimes refuse to see our neighbors while oftentimes loudly professing a Christian platform for living Ultimately it is our actions that speak loudest Walk with Me takes an honest hard look at who we profess to be who our actions reflect we are and who we are called to be It addresses racism and the challenging social issues of our time through the eyes of love and responsibility Walk with Me is a book that will make you laugh and cry and create a desire to seek the very best in each day you are given
