Unfortunate Colonel Despard

Edward Marcus Despard

Unfortunate Colonel Despard:

The Unfortunate Colonel Despard Mike Jay, 2019-08-01 This is the true story of Colonel Edward Marcus Despard the character in the fifth series of the BBC's popular television drama Poldark Colonel Despard was the last person to be sentenced to hanging drawing and quartering in Britain for high treason an alleged plot to kill the king His execution on 21st February 1803 was witnessed by twenty thousand hushed onlookers Their silence was ominous for few believed he was guilty His death would tear apart a Britain still reeling from the impact of the French Revolution and the Napoleonic Wars But who was Edward Marcus Despard Was he as his comrade in arms on the Spanish Main Lord Nelson believed an outstanding British army officer of impeccable honour courage and patriotism Or as the white slave owners of the Caribbean claimed a traitor not only to his nation but to his race who had married a local woman and championed the rights of freed slaves And when Despard returned to London to answer these allegations did he commit himself to the cause of political reform in Britain's best interest Or did he join a shadowy international terrorist conspiracy dedicated to the murder of George III and the overthrow of the state Despard's contested fate marked the sensational climax to a British revolution that never happened but it also presaged the birth of modern democracy Compelling absorbing and wide ranging Jay weaves a complex variety of themes many with overtly topical resonances into Despard's journey from hero to traitor Sunday Times *The Unfortunate Colonel Despard and Other Studies* Charles Oman, 1922
