Unification Church:

A Kingdom of the Truth or Deception? David K. Hebert Th.D., 2024-12-18 This book has been the culmination of over forty years of study on the concept of defending the Christian faith against false religions and cults that oppose that faith by exposing them Since 2007 the study took on a more academic researched scholarly tone while writing one chapter in the doctoral work It was during that time frame that studying the false religions and cults took on a more focused biblical historical and Christian orthodox direction So the foundation of this book uses the Parable of the Wheat and the Weeds Tares in Matthew 13 24 30 36 43 and a clear understanding of the core orthodox Christian beliefs as the standard for Christians to compare the kingdom of God versus the kingdom of darkness and God s truth versus Satan s lies error throughout biblical history from the Garden of Eden to the present day especially as the day of Jesus Christ s return so rapidly approaches

New York Magazine ,1976-09-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Power of Religious Publics William H. Swatos Jr., James K. Wellman, 1999-08-30 Currently public religion is in a time of flux and the notion of the common good once associated with the Protestant voice in America is openly contested by new religious coalitions seeking to communicate their version of the truth and plant their stake in the public domain This edited volume reflects on the changing tone and form of the public voice of religion on its function in American society and on its relationship to the private world of religion It proposes that public religion when exercised in a civil and accountable way can be a responsible and prophetic voice in public life and enrich the American experiment in liberal democracy The contributors first rate scholars including Martin Marty and Robert Bellah focus on public religion s influence on controversial issues such as multiculturalism economic inequality abortion and homosexuality **Unificationists** Nelson Mira, 2014-10-10 Are you curious about the Unification Church but don t have enough time to spend hours and hours to study about it Then this book is for you When you hear the news of Moonies mass wedding where thousands of people get married at the same time in the same location and some of them meet for the very first time what do you think You might be thinking What on earth What are these people thinking I am sure that those brides and bridegrooms were thinking that they made the right choice I guess the real questions to ask are What compels them to do it and What do they believe DO YOU WANT TO Know what they believe and teach Know about their mass wedding of thousand couples Know about their founders Know about their organizations as a movement UNIFICATION CHURCH IS MORE THAN A CHURCH IT S A MOVEMENT The Unification Church also called the Family Federation for World Peace and Unification is a new religious movement founded in South Korea in 1954 by the late Rev Sun Myung Moon Since its founding the church has expanded throughout the world with
