

The background of the book cover is a detailed illustration. It shows a cross-section of the earth. In the foreground, there is a layer of dark, rich soil. Below that is a lighter, more textured layer, possibly representing a different soil type or a layer of organic matter. At the bottom, there is a rocky or hardpan layer. A large, gnarled tree trunk is on the right side, with its roots spreading out and extending deep into the soil layers. In the background, there is a field of tall, green corn plants under a bright, slightly hazy sky.
