## Chapter 1. Teaching as a Profession

**Professional** implies one who possesses skill and competence/ expertise. A professional is one who conforms to the technical or ethical standards of a profession.

### Elements of Profession

Professional societies define certification criteria, manage certification programs ,establish accreditation standards and define a code of ethics and disciplinary action for violations of that code.
6. Code of Ethics - Professionals can be ejected from their professional societies or lose their licenses to practice for violating their code ethics.

The teaching profession is governed by the Code of Ethics for Professional Teachers, Violation of the Code of Ethics for professional teachers is one of the grounds for the revocation of the professional teacher's Certificate of Registration and suspension from the practice of the teaching profession (Sec.23,RA. 7836)
