The Principles of the Law of Restitution Graham Virgo, 1999 This new textbook outlines the general principles of the rapidly developing subject of the Law of Restitution Restitution is concerned with the reversing of unjust enrichment and was recently recognized as a discrete body of law by the House of Lords although restitutionary principles have in fact been evolving for over 200 years Rather than taking the traditional approach which assumes that restitutionary remedies will be awarded against a defendant only where it can be shown that the defendant has been unjustly enriched at the expense of the plaintiff The book asserts that the law of restitution is simply concerned with the question of when restitutionary remedies may be awarded that is remedies which are assessed by reference to a benefit obtained by the defendant But in determining whether restitutionary remedies are available it is necessary to identify the causes of the action which triggers them There are three such causes of action namely the reversal of the defendant's unjust enrichment the commission of a wrong by the defendant and the vindication of the defendant's property rights The state of the law is examined through analyses of the statutory provisions and key cases demonstrating the way the law is used to resolve a wide variety of legal problems The very different views of academics as to the nature and ambit of the subject are also identified This book will be invaluable to students on restitution courses at every level

Equity and Trusts Alastair Hudson, 2005 Equity and Trusts has quickly established itself as a market leader due to its clarity insight and accessibility in what is perhaps the most complex of legal areas Hudson's scholarly account of the subject makes this text sufficiently authoritative for trust practitioners but also provides a comprehensible introduction for a student audience As in previous editions the traditional doctrines are analysed in the context of current issues and the book's progressive approach intersperses discussion of the core ideas with clear examples This fourth edition has been extensively rewritten and includes new chapters on understanding the trust certainty in the creation of express trusts the rights of beneficiaries and the beneficiary principle formalities in the creation of express trusts constructive trusts breach of trust miscellaneous equitable remedies Individual essays on the nature of express trusts the law on fiduciaries family law human rights law and equity draw together the main principles while examining related questions of restitution and social justice This book is essential reading for all those seeking a modern approach to this crucial area of law

Exploitative Contracts Rick Bigwood, 2003 This volume explores the philosophical concept of exploitation in the law relating to the formation of contracts It discusses the criteria for a claim of legal contractual exploitation These criteria reveal a conception of exploitation that is sensitive to the conceptual institutional and administrative distinctions associated

with the classic liberal conception of the contract The consequences of this conception of exploitation upon the contract law doctrines of unconscionable dealing duress and undue influence are examined in depth Readership scholars practitioners Judges **Contest of Wills** Daniel Coblens Joseph,1912 **Revised Laws of Oklahoma, 1910** Oklahoma,1915 *Atlantic Reporter* ,1921 Notes on the American Decisions [1760-1869] Lawyers Co-operative Publishing Company,1910 **The American Reports** ,1912 Containing all decisions of general interest decided in the courts of last resort of the several states 1869 1887 **Reports of Cases Determined in the Courts of Appeal of the State of California** ,1914 A Treatise on the Law of Trials in Actions Civil and Criminal Seymour Dwight Thompson,1912 **The Compiled Laws of the State of Michigan, 1915, Comp., Arranged and Annotated Under Act 247 of 1913 and Act 232 of 1915** Michigan,Edmund Claude Shields,Cyrenius Penny Black,Archibald Broomfield,1916 **Law of Wills, Executors, and Administrators** James Schouler,1923 **Probate and Administration, Law and Practice in Common Form and Contentious Business** William John Dixon,1885 **Wisconsin Reports** Wisconsin.
