The Bunnies Eliot Cowley, 2007-02 BEATRIX POTTER move over. Here is a children's book to delight everyone. The continuing saga of *The Bunnies* told by someone young enough to know it, old enough to spoof it. Only instead of Flopsy, Mopsy, and Cottontail, you've got Knuzzle, Krouch, and Relacks, members of the infamous Nickname Club, and the wonderful Bunny family: Papa, Mama, the sons Cool and Baby, and the daughters Twinkle and Sparkle. It's the story of everyday life in Furrific Town, with voice-over by the author. It's an imaginative story book filled with wit and humor that will delight the parents as well as the children. So as Baby Bunny would say, Yo Yo Yohoho. And so we begin. There are many towns inhabited by only bunnies, and bunnies only. But we're not talking about all the towns. We're just zooming in on one little house in one little town called Furrific Town. And the family of bunnies in the little house that we're talking about is no ordinary family.

Giftwares, 1929 *Bipolar Bunny* D'Maria Scaglione, 2012-11-28. *Bipolar Bunny* is a book about a bunny named Bobby who is abandoned in his home by his parents. Being isolated and alone, the young Bobby creates more problems than he ever would have imagined in this new outside world. *Bipolar Bunny* shows how relationships develop between others in the book. At first, there is confusion and misunderstanding of what is going on with Bobby. Lord Monty, Lady Snow, and their bunny family take in the rowdy youngster in their small abode and are puzzled by Bobby's overwhelming actions. We all learn from the book how love, compassion, and patience can change lives, as lessons will be learned. There is an introduction in the book to parents and teachers about how all of our children are blessed, yet we have no control if a child is born with an illness, especially a disease that may not be understood to a parent, family, or teacher. Bullying and emotional abuse are also confronted by the forest creatures. Sweet Breeze Forest has an incredible Utopia about it. If a situation arises, the animals always do their research to find the best solutions to problems. They work together and overcome obstacles that come before them. Life may not be easy, yet they use love and patience to get by. Wouldn't the world be a better place if humans learned from the critters in Sweet Breeze Forest? DMS
