That Unknown Day

Robert R. Redfield

That Unknown Day:

THE DAY CODE Jeffrey R. Horton,2013-08-27 God s Day Code is one of the most prominent and significant features of the Bible It is based on the principle that God views a thousand years as but one Day in His sight Since so much of end time prophecy is written from this heavenly perspective this key unlocks the true meaning of many prophecies concerning the Lord s return Learn how the plan of redemption is based on a great Week of thousand year Days and how this marks our generation for Christ s return Learn why the Church has always lived in the last Days why Jesus compared our time with the days of Noah and how to reserve your own chariot of fire for the rapture

The Bitter Smell of Almonds Arnošt Lustig,2001 For the first time Arnost Lustig s short story collections Street of Lost Brothers and Indecent Dreams and his novel Dita Saxova are brought together in an omnibus edition As with all of Lustig s works these tales reverberate with themes of loss and contradiction with the torments of suffering and survival In The Bitter Smell of Almonds Lustig asks questions as old and as universal as humankind s search for the meaning of existence and his characters often juxtaposed against people or situations they cannot comprehend attempt to come to terms with the unthinkable and with life itself
