The Absent City

Worcester (Mass.)

The Absent City:

The Absent City Ricardo Piglia, 2000-11-15 English translation of 1992 best selling fiction novel that explores the nature of totalitarian regimes and life in the aftermath of a long dictatorship

National Trauma in Postdictatorship Latin American Literature Irene Wirshing, 2009 National Trauma in Postdictatorship Latin American Literature Chile and Argentina examines the traumatic experiences of Chile and Argentina under authoritarian regimes and argues that in order for postdictatorship countries to successfully implement transitions to democracy they must confront the past This book employs the research of psychologists Bessel van der Kolk Judith Herman Donald Dutton Elizabeth Loftus and Cathy Caruth in order to better understand the emotional and psychological effects of national trauma in the works of Chileans Diamela Eltit and Ariel Dorfman and Argentines Ricardo Piglia and Griselda Gambaro The themes and characters transcend national boundaries the abuse torture paranoia anguish and shame are common to all human beings oppressed by tyranny The inclusion of theater is necessary in global times for the art of drama has the power to ignite a repressed consciousness to emerge and contribute to progress and change National Trauma in Postdictatorship Latin American Literature Chile and Argentina proceeds with the reality that it is possible to heal from past trauma and become once again dignified citizens of the world

Chaucer's England Barbara Hanawalt, 1992 Represents the first time that disciples of history and English literature have joined forces to present new interpretations of late fourteenth century English society

Ecocinema in the City Robin L. Murray, Joseph K. Heumann, 2017-11-15 In Ecocinema in the City Murray and Heumann argue that urban ecocinema both reveals and critiques visions of urban environmentalism The book emphasizes the increasingly transformative power of nature in urban settings explored in both documentaries and fictional films such as *Children Underground* *White Dog* *Hatari* and *Lives Worth Living* The first two sections *Evolutionary Myths Under the City* and *Urban Eco trauma* take more traditional ecocinema approaches and emphasize the city as a dangerous constructed space The last two sections *Urban Nature and Interdependence* and *The Sustainable City* however bring to life the vibrant relationships between human and nonhuman nature Ecocinema in the City provides a space to explore these relationships revealing how ecocinema shows that both human and nonhuman nature can interact sustainably and thrive

Translocality in Contemporary City Novels Lena Mattheis, 2021-03-19 Translocality in Contemporary City Novels responds to the fact that twenty first century Anglophone novels are increasingly characterised by translocality the layering and blending of two or more distant settings Considering translocal and transcultural writing as a global phenomenon this book draws on multidisciplinary research from globalisation theory to the study of narratives to urban studies to explore a corpus of thirty two novels by authors such as Chimamanda Ngozi Adichie Dionne Brand Kiran Desai and Xiaolu Guo set in a total of ninety seven cities Lena Mattheis examines six of the most common strategies used in contemporary urban fiction to make translocal experiences of the world narratable and turn them into relatable stories simultaneity palimpsests mapping scaling

non places and haunting Combining and developing further theories approaches and techniques from a variety of research fields including narratology human geography transculturality diaspora spaces and postcolonial perspectives Mattheis develops a set of cross disciplinary techniques in literary urban studies

The New Practice and Procedure in the Municipal Court of the City of New York Under the Municipal Court Code (Laws of 1915, Chap. 279) with a Treatise on the Practice in Summary Proceedings and a History of the Municipal Court, Also Tables, Forms and Index Edgar Jacob Lauer,1922

Providence City Documents ... Providence (R.I.),1884

Cinematic Imaginaries of the African City Danai S. Mupotsa,Polo B. Moji,Natasha Himmelman,2023-08-30 This volume addresses questions at the intersections of cinematic form and the African city It examines the contribution of cinema and audiovisual media to our understanding and experience of contemporary cities from an African perspective Reading the African city as form this volume problematizes the circulation of terms such as Afropolitanism Afro polis Afro modernity and Afro urbanity which often define the kinds of sentiments invested in or associated with the African city Situated within an interdisciplinary matrix that reads the urban African cinematic form through affect theory and the city as a matrix of feeling critical black geography and the racialized construction of city spaces the urban as a temporal consciousness and representations of social inequalities and urban geographies of exclusion this edited volume frames the city and screenscapes as co constitutive foregrounding the diegetic and extra diegetic elements that inform the African urban Chapters engage thematic areas such as aesthetics and African cinematic urban form visuality and the infrastructures of the African city audiovisual narratives social inequality and urban geographies of exclusion Cinematic Imaginaries of the African City is a significant new contribution to African Studies and will be a great resource for academics researchers and advanced students of African Studies Media and Cultural Studies Visual Studies and Sociology The chapters included in this book were originally published as a special issue of Social Dynamics A Journal of African Studies
