 Directing Poiesis Naum Panovski,1993 Directing Poiesis grows out of the theatre s need to develop and to formulate a
poetics of theatre directing applicable to all forms of theatre art Since it is a relatively new phenomenon in the history of
theatre there are many views of what is the essence nature and meaning of directing This study addresses these questions
from both theoretical and practical perspectives and explores the idea of directing as a powerful expression of the director s
individuality imagination and fantasy Under this paradigm the director is considered to be a theatre artist par excellence and
a true poet of the theatre In this study directing is recognized as an authorial art and act and is considered to be the Alpha
